

Head Start today...

Head Start CALIFORNIA

Let **Head Start** put your children on the path to success. A recent study found that the adult children of mothers who had access to **Head Start** showed a 13% increase in high school graduation and 17% increase in college enrollment.

13% increase in high school graduation

17% increase in college enrollment

Head Start and **Early Head Start** improve the lives of children aged 0-5 by providing family-focused:

- ✓ quality child care
- ✓ health
- ✓ nutrition
- ✓ employment support
- ✓ kindergarten readiness

College tomorrow!

Kirsten and Kiona started in Head Start ... now, they are finishing strong.

“Head Start promotes a better world all the way around, and I want to give back in some way.”

Kirsten, 31

C.S.U. Sacramento, B.A. – May 2018

No-cost to families who qualify. Get your family started.

“The teachers were amazing ... I’ll never forget the way they instilled coping skills in me at such an early age.”

Kiona, 32

University of the Pacific, B.A. – May 2019
