FRESNO

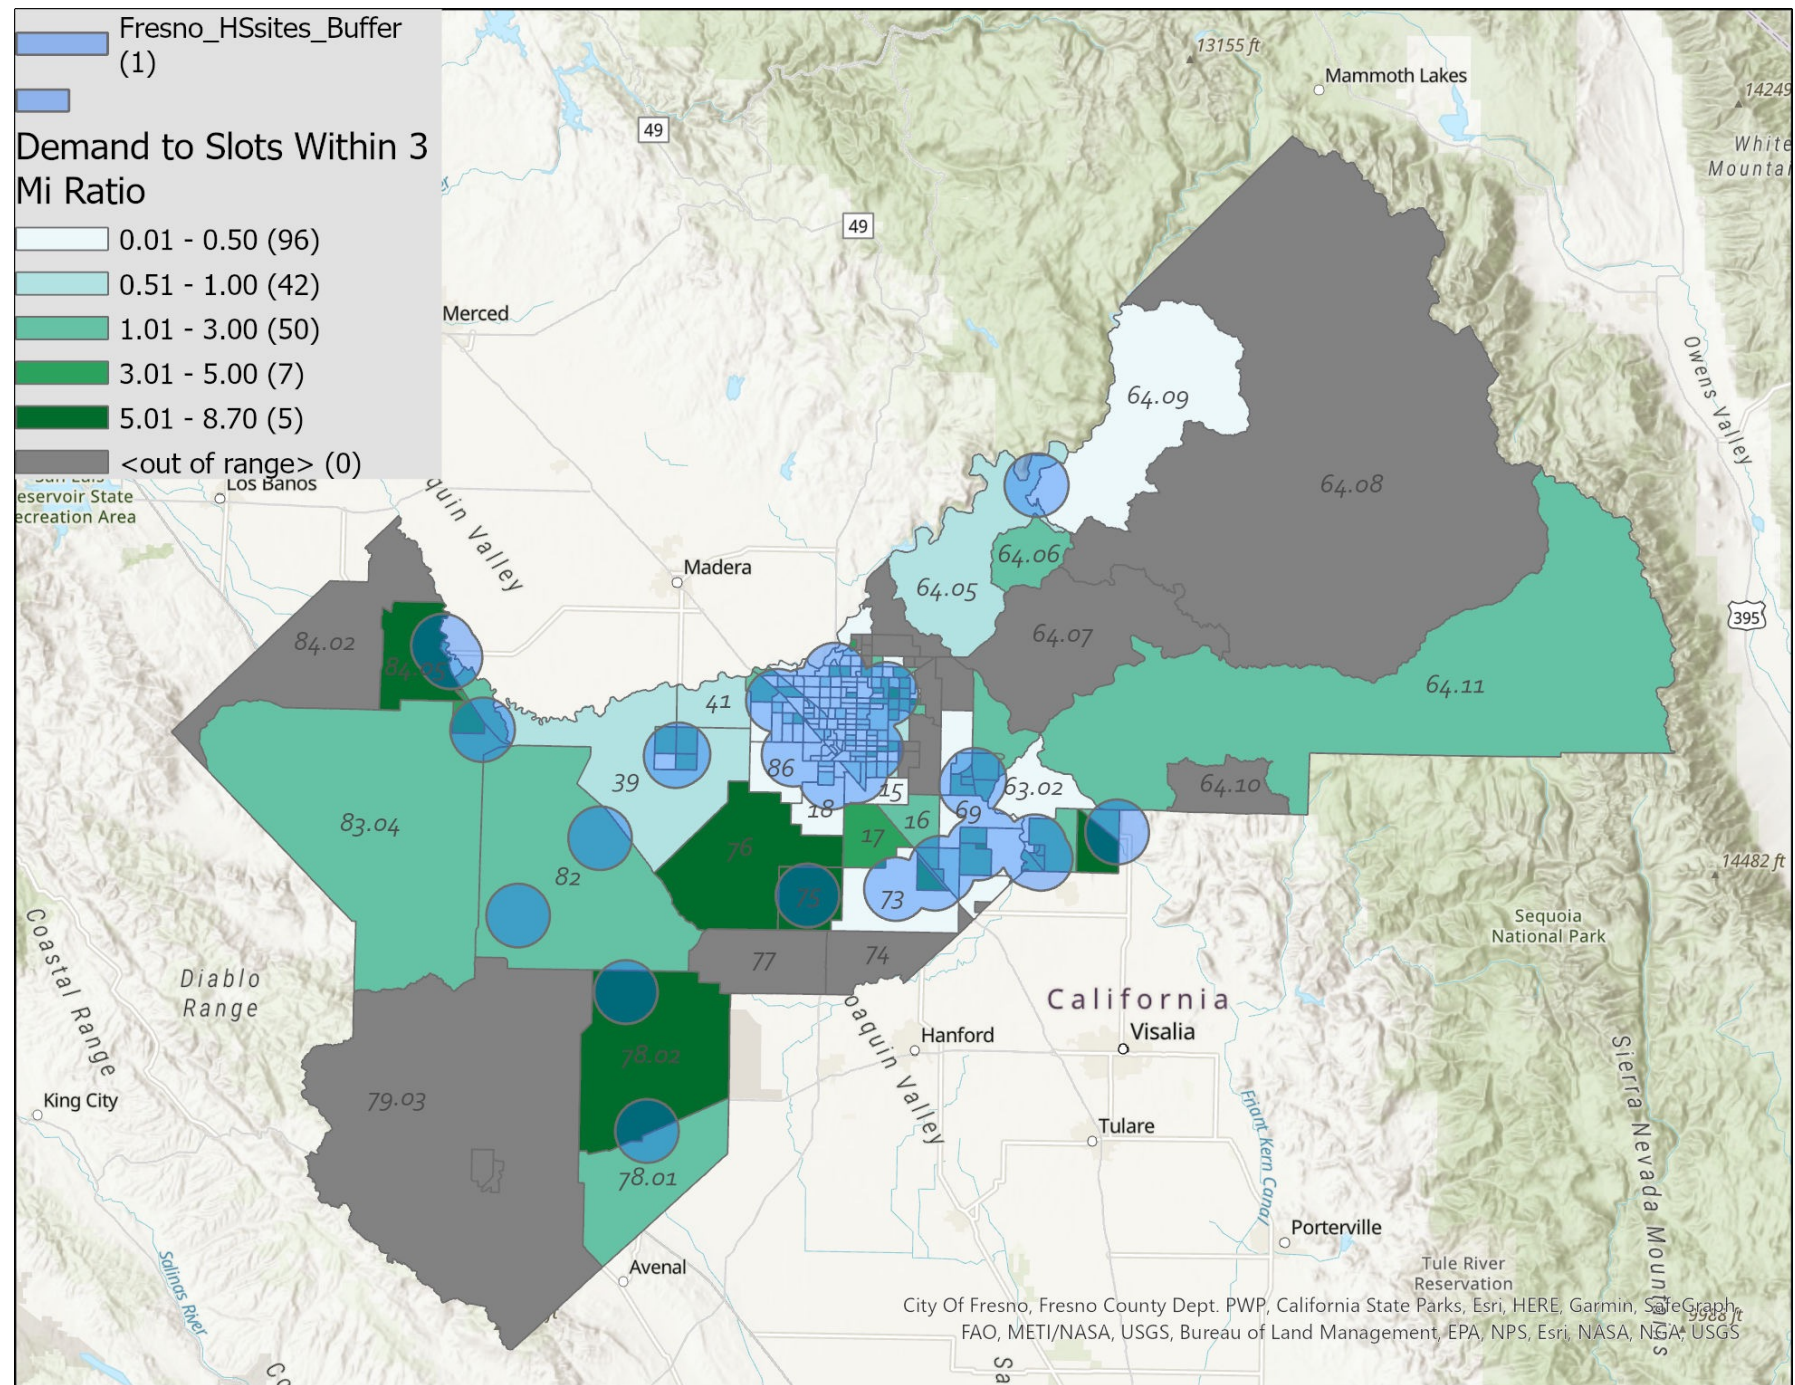

- 225 tracts
- # 7 in service supply (60 locations, 2,890 slots)
- Head Start presence in 21% of all tracts, or 47 tracts

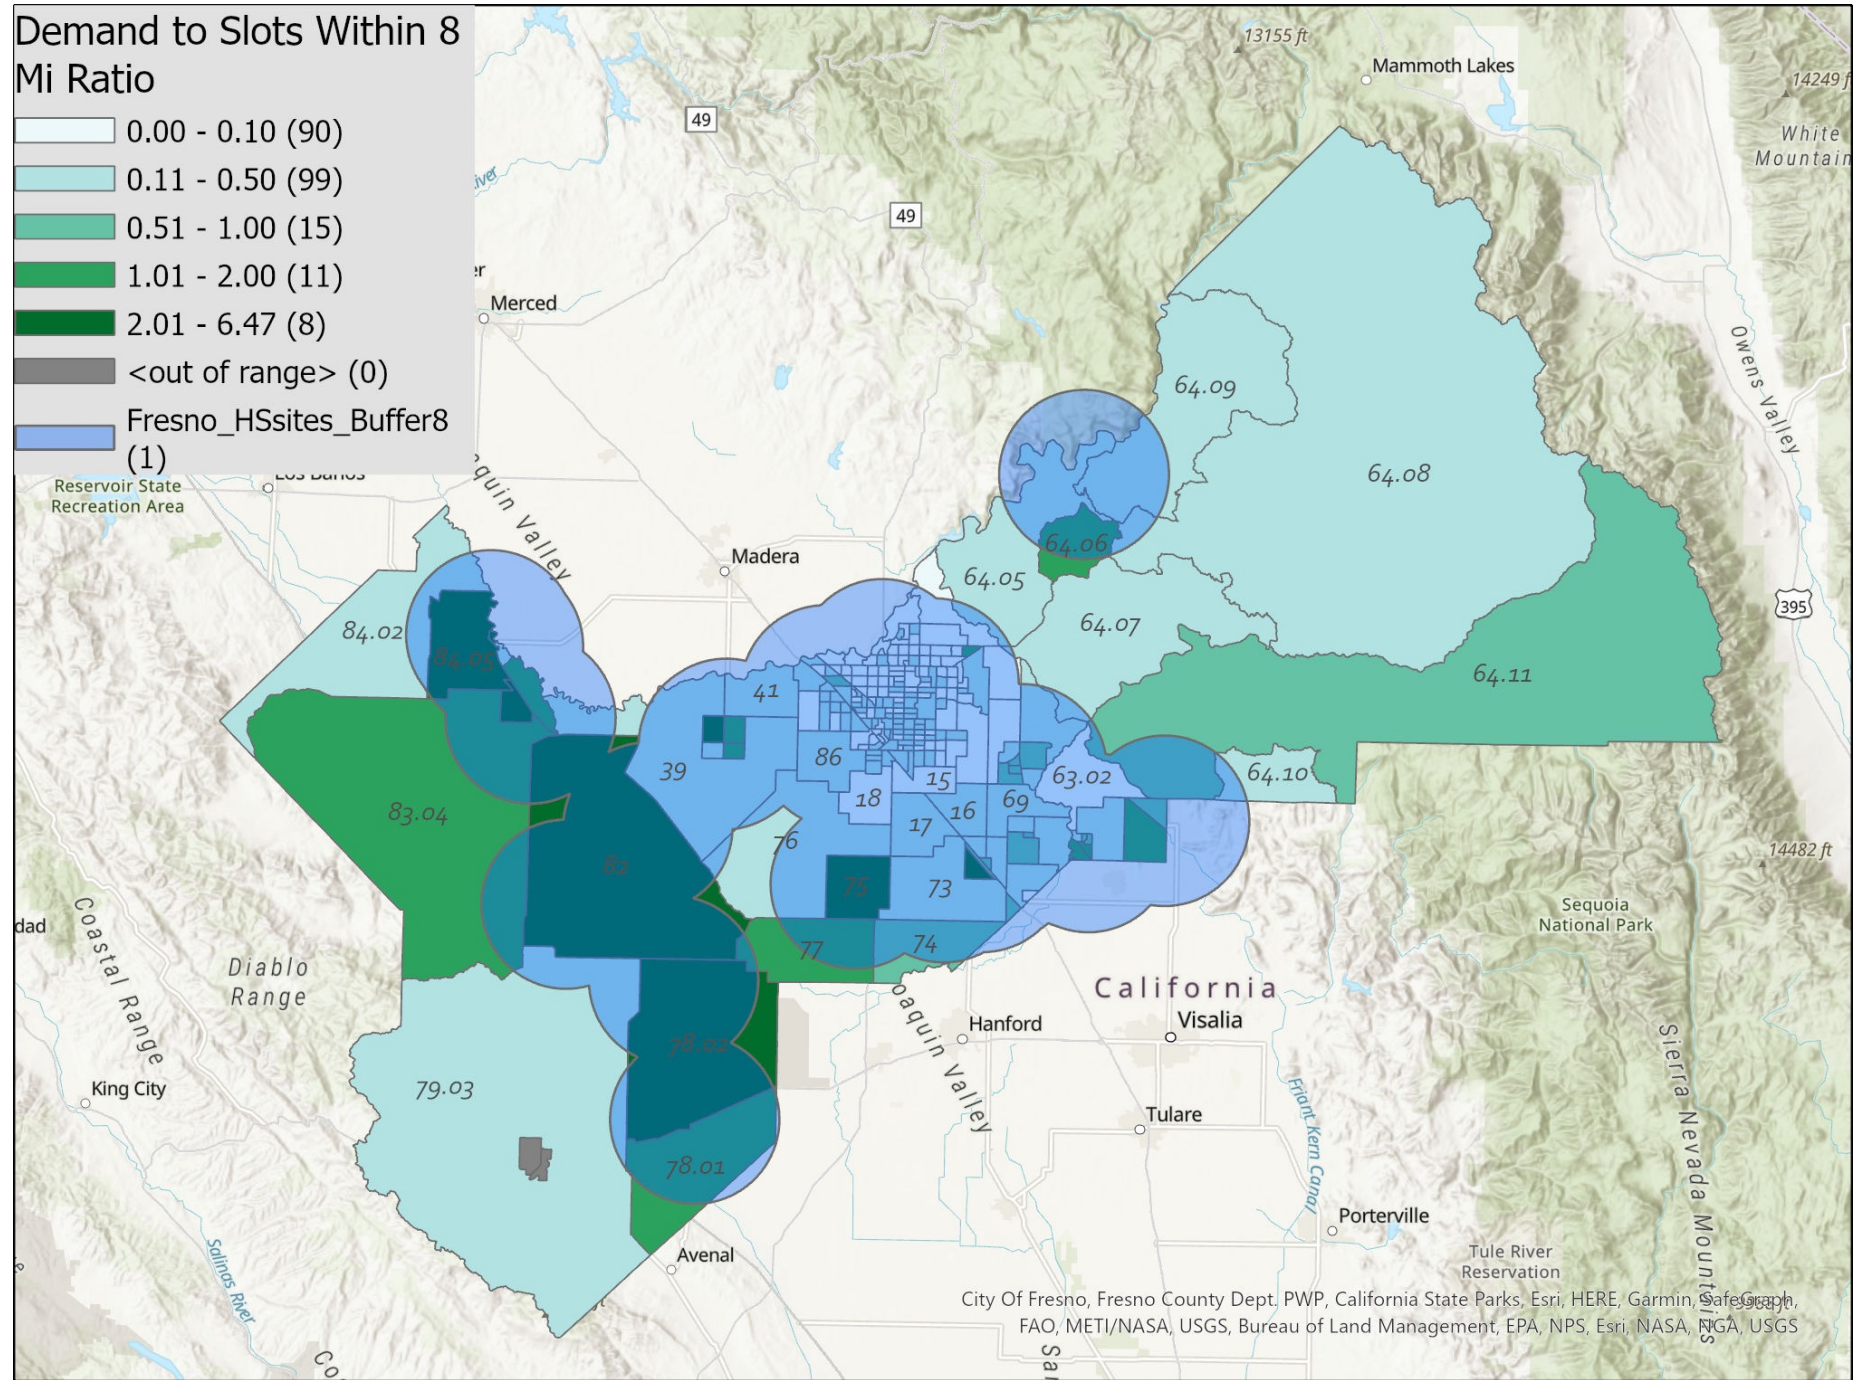

- # 6 in number of children under 5 living in or near poverty (38,858 children)
- #5 in disparity level 51.76%
- #6 in demand to supply (13 children per slot)

- Have HS within 3 miles
55% of all eligible children
- Have HS within 3 miles but
need to share slots
41% of all eligible children
- Have no HS within 3 miles
4.2% of all eligible children

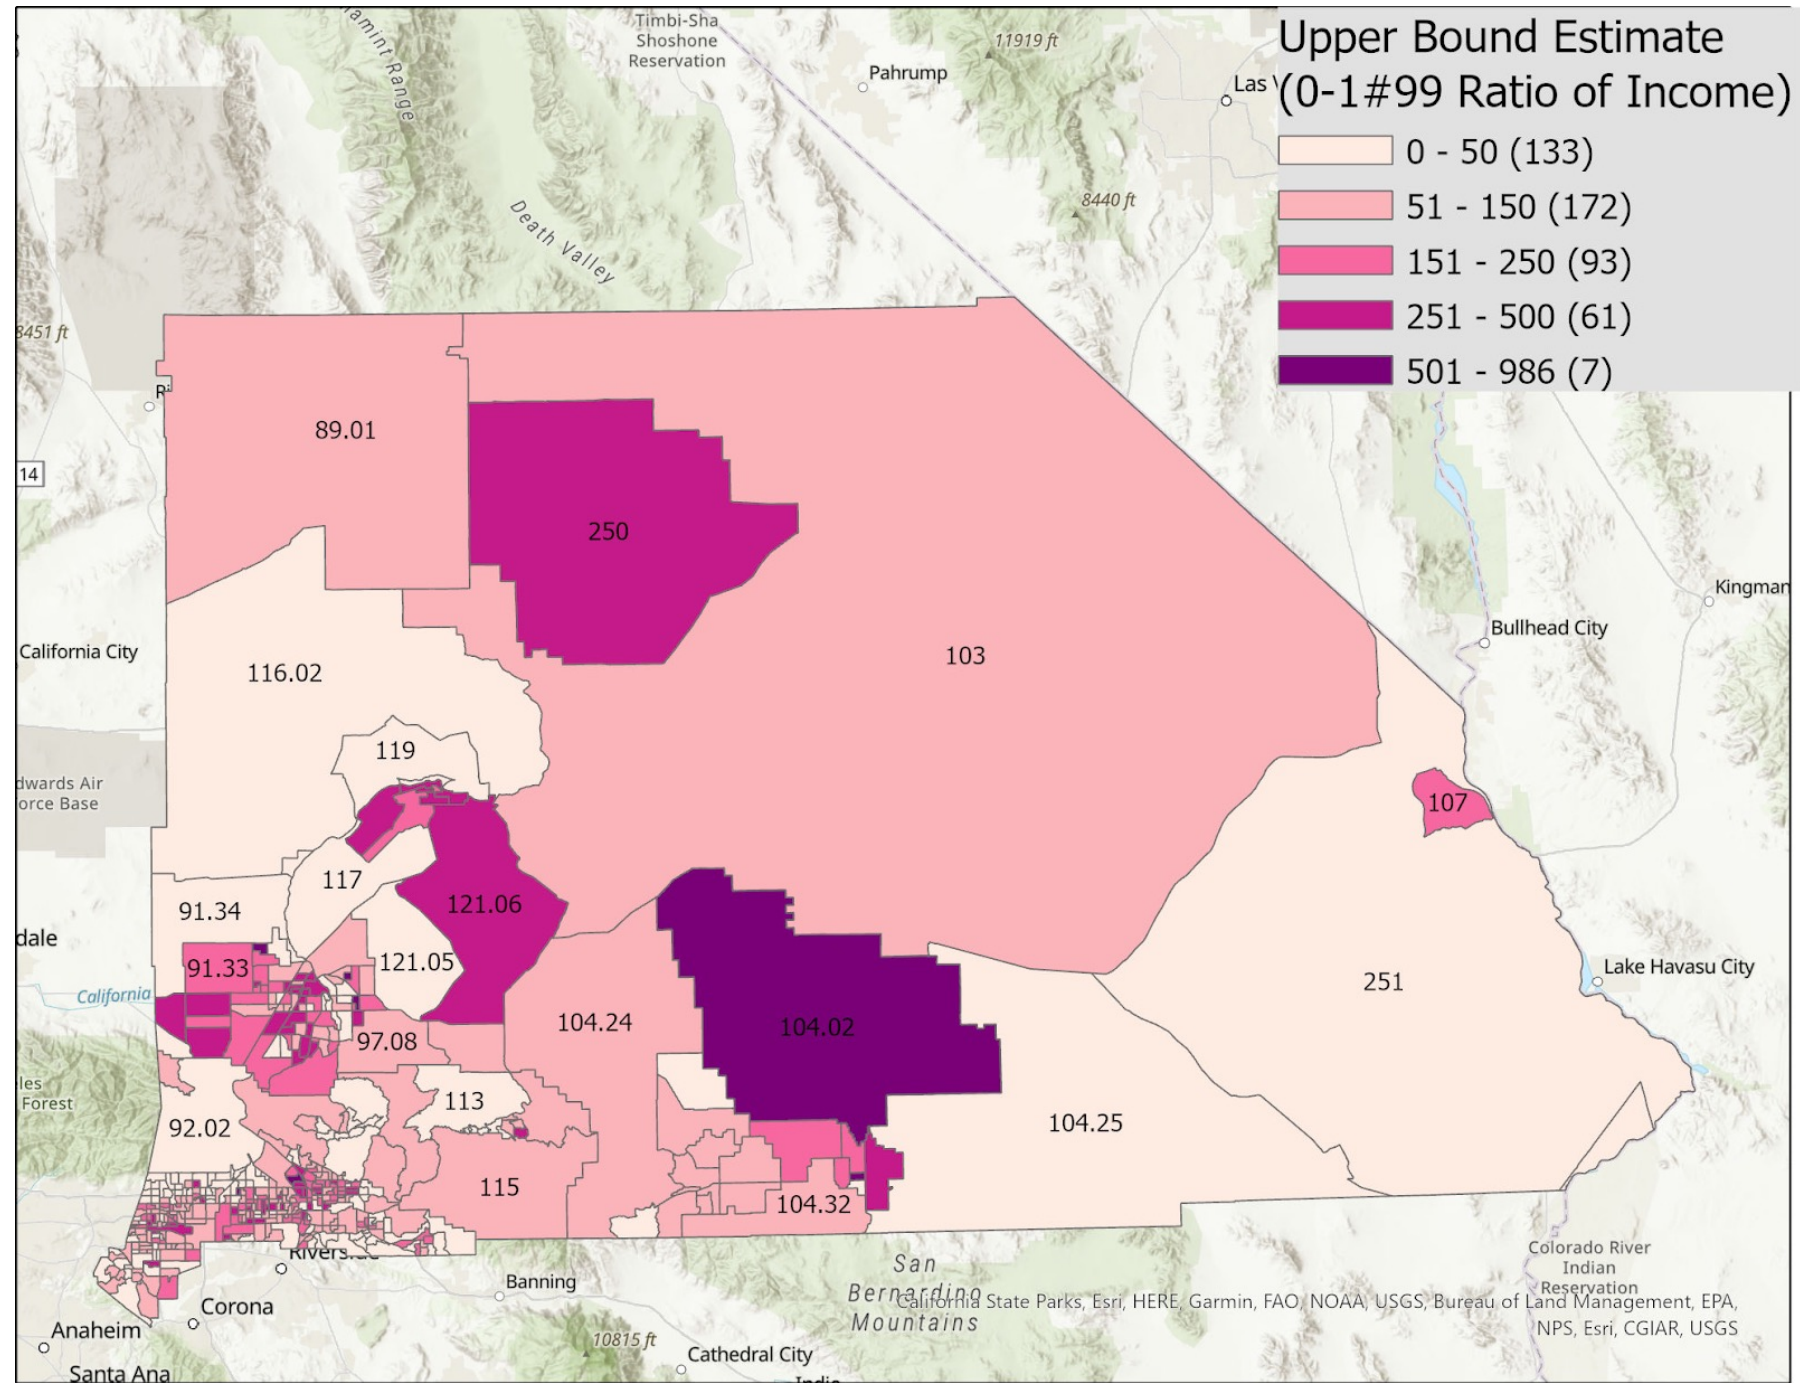

- Have HS within 8 miles
85% of all eligible children
- Have HS within 8 miles
but need to share slots
14% of all eligible children
- Have no HS within 8
miles
Less than 1% of all
eligible children

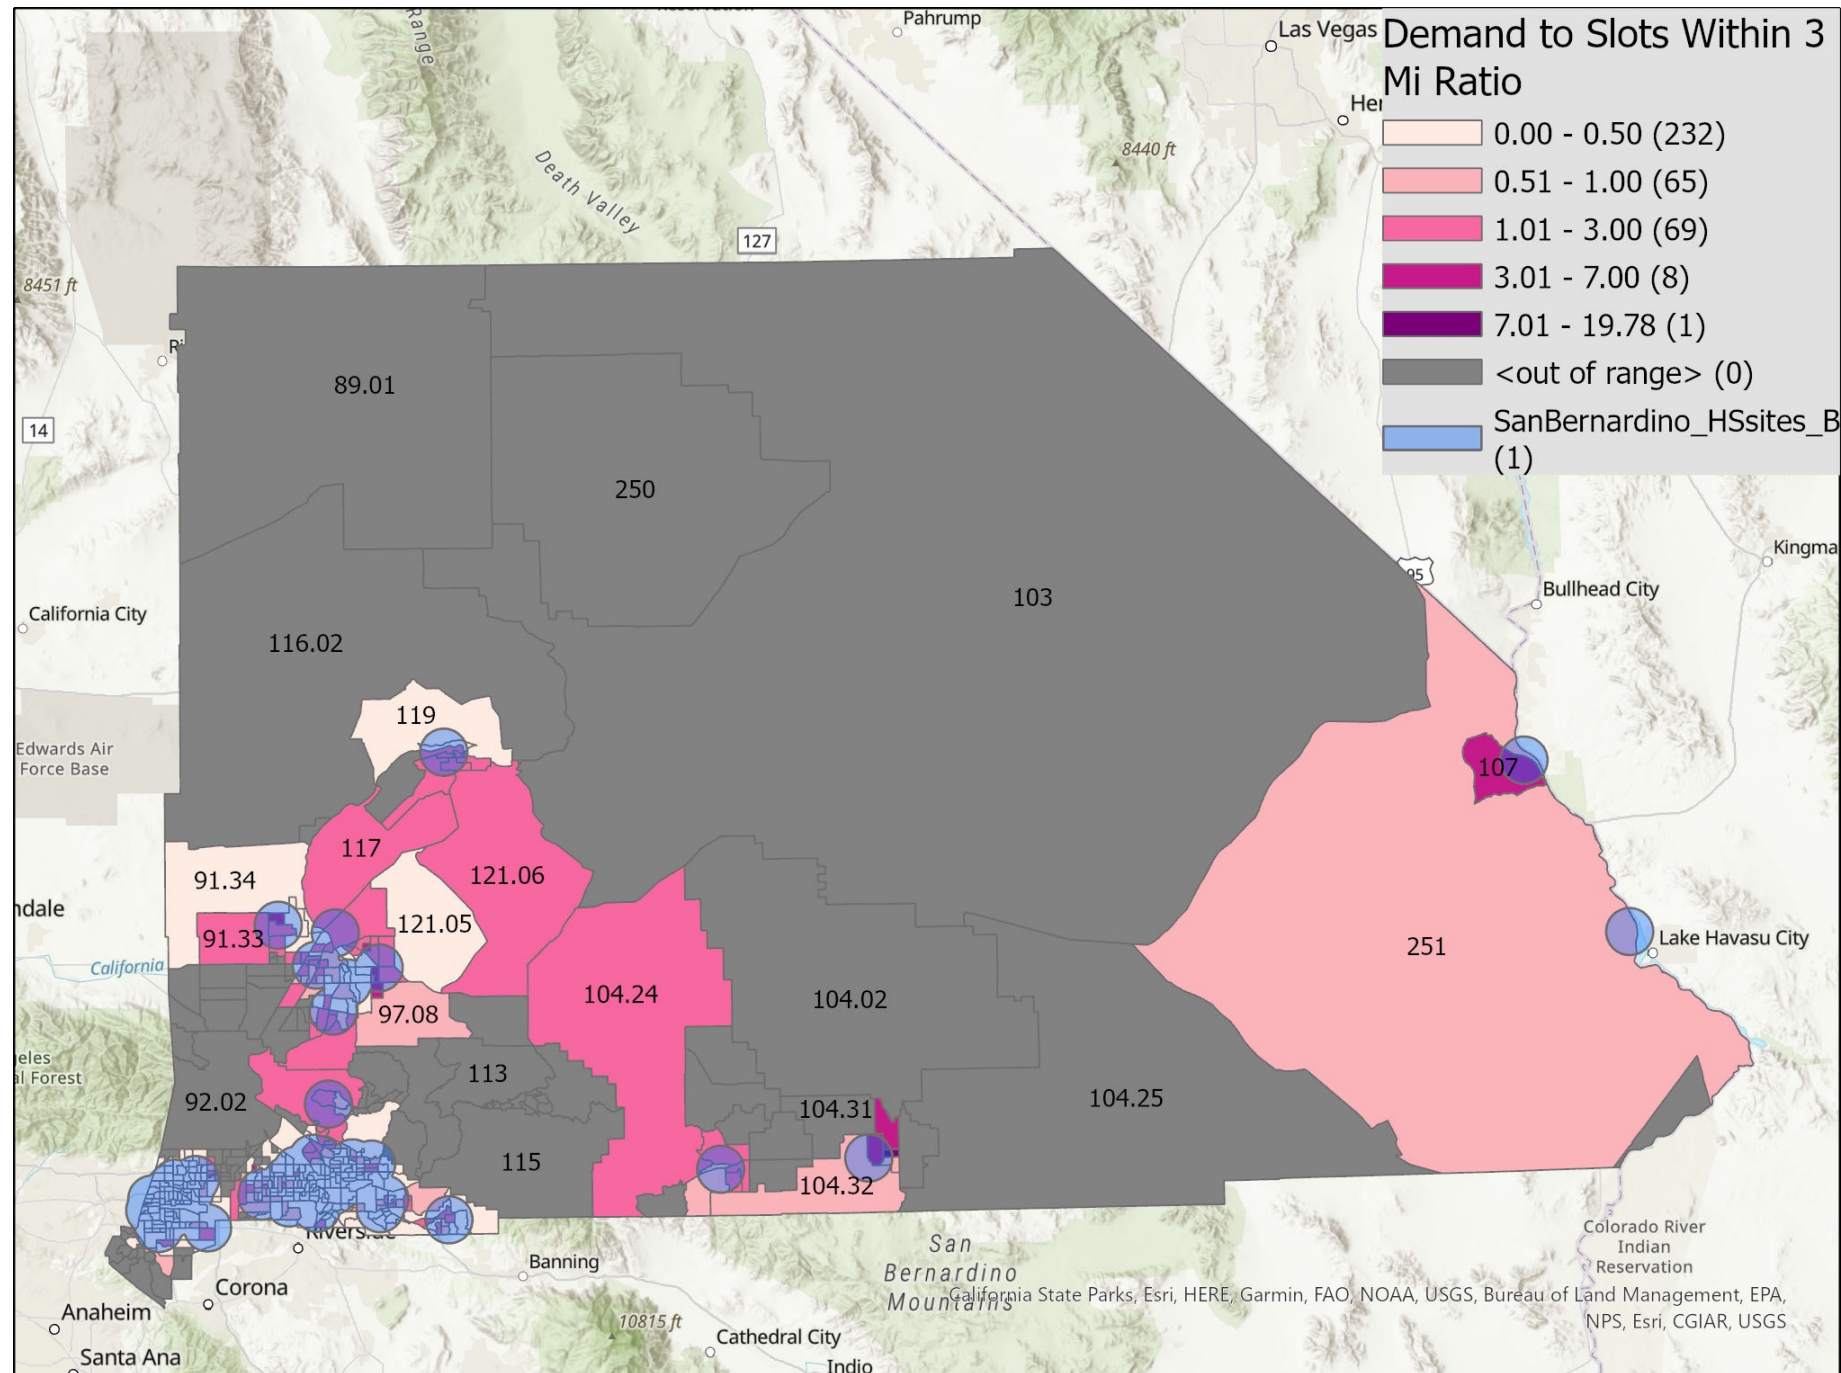

SAN BERNARDINO

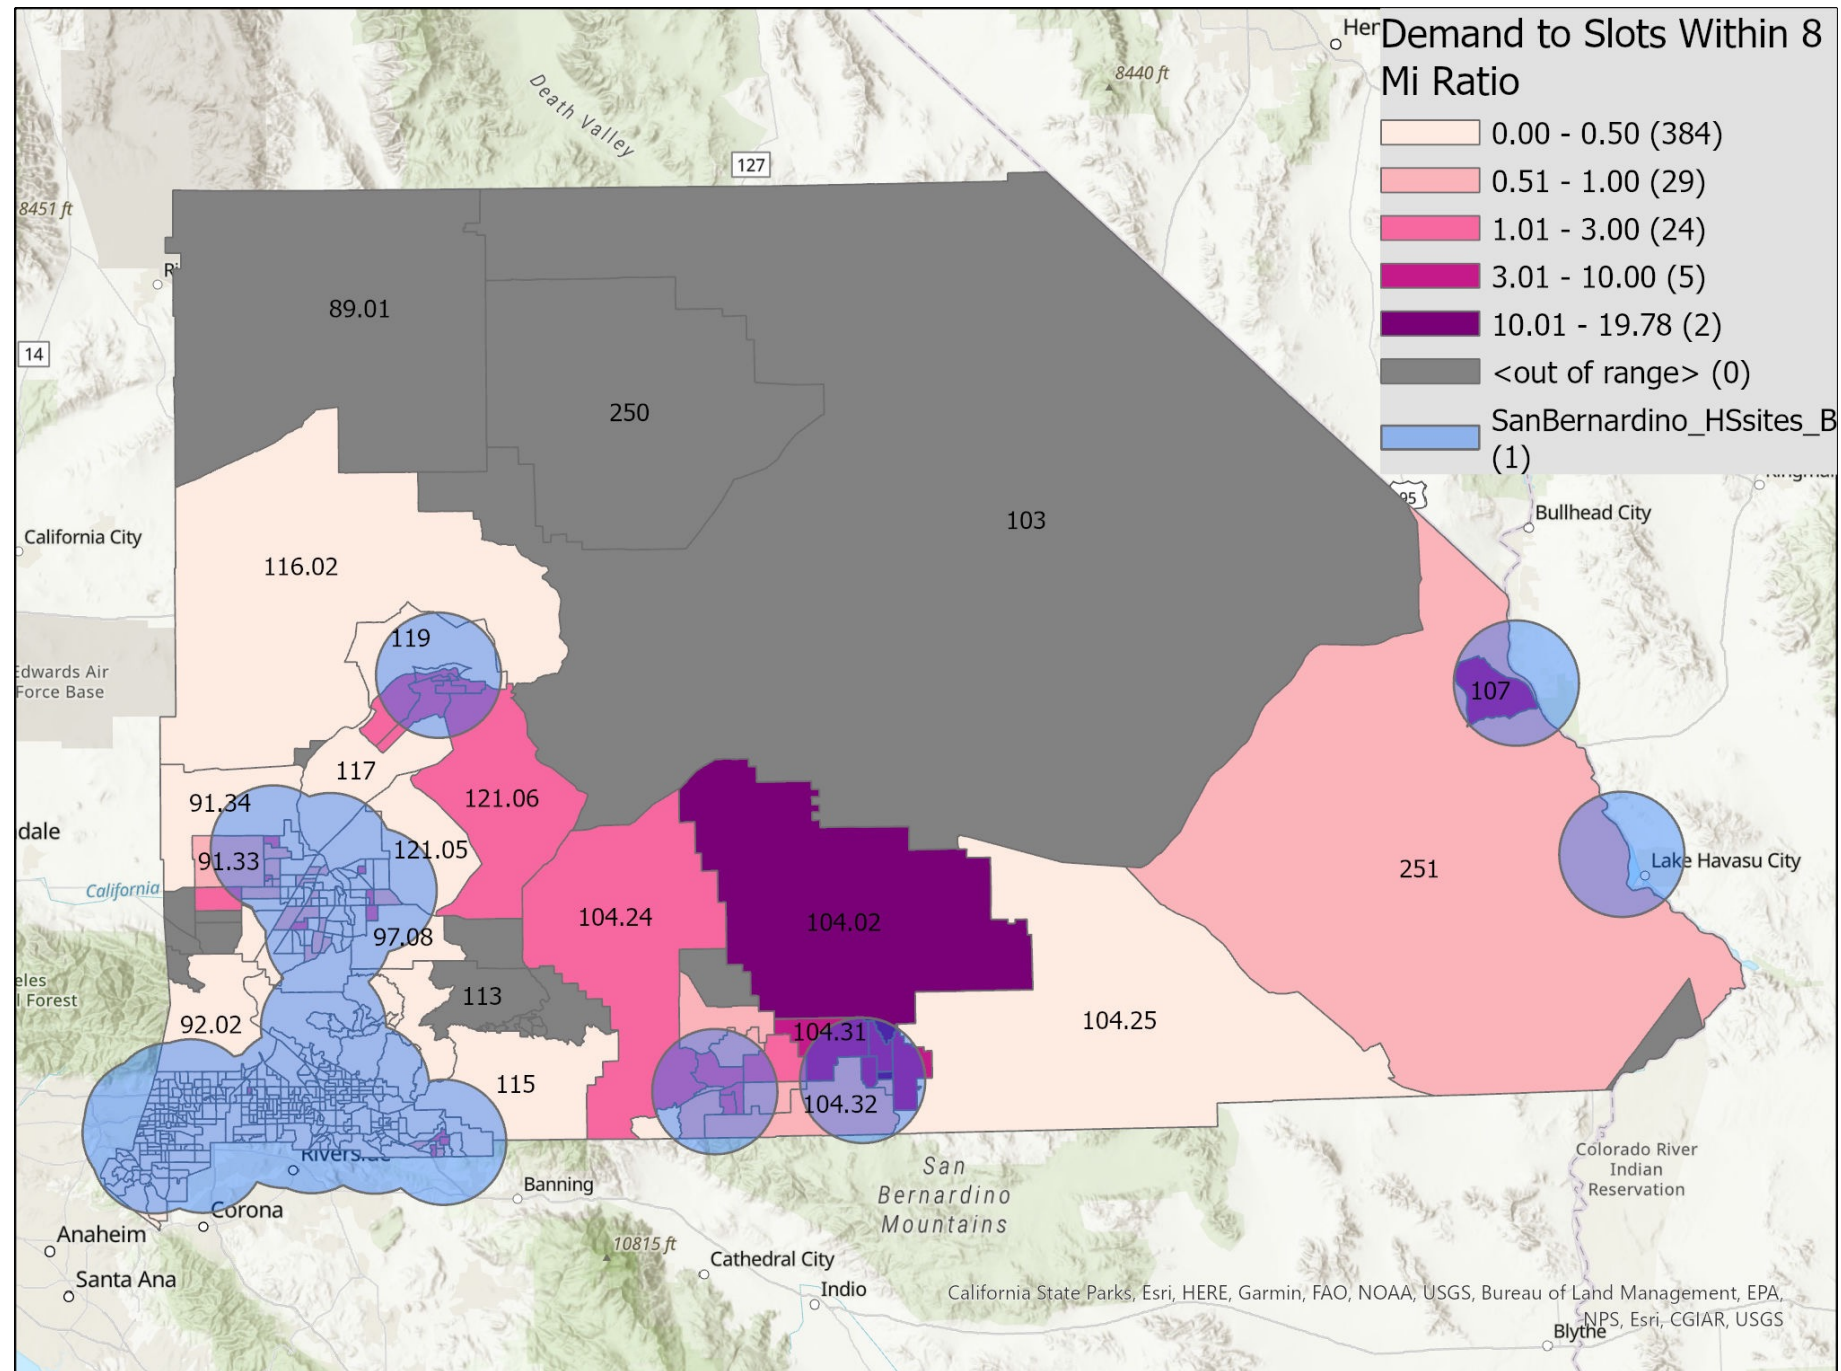

- #2 in number of children under 5 living in or near poverty (59,520 children)
- #8 in demand to supply (13 children per slot)

- Have HS within 3 miles
52% of all eligible children
- Have HS within 3 miles
but need to share slots
34% of all eligible children
- Have no HS within 3
miles
14% of all eligible children

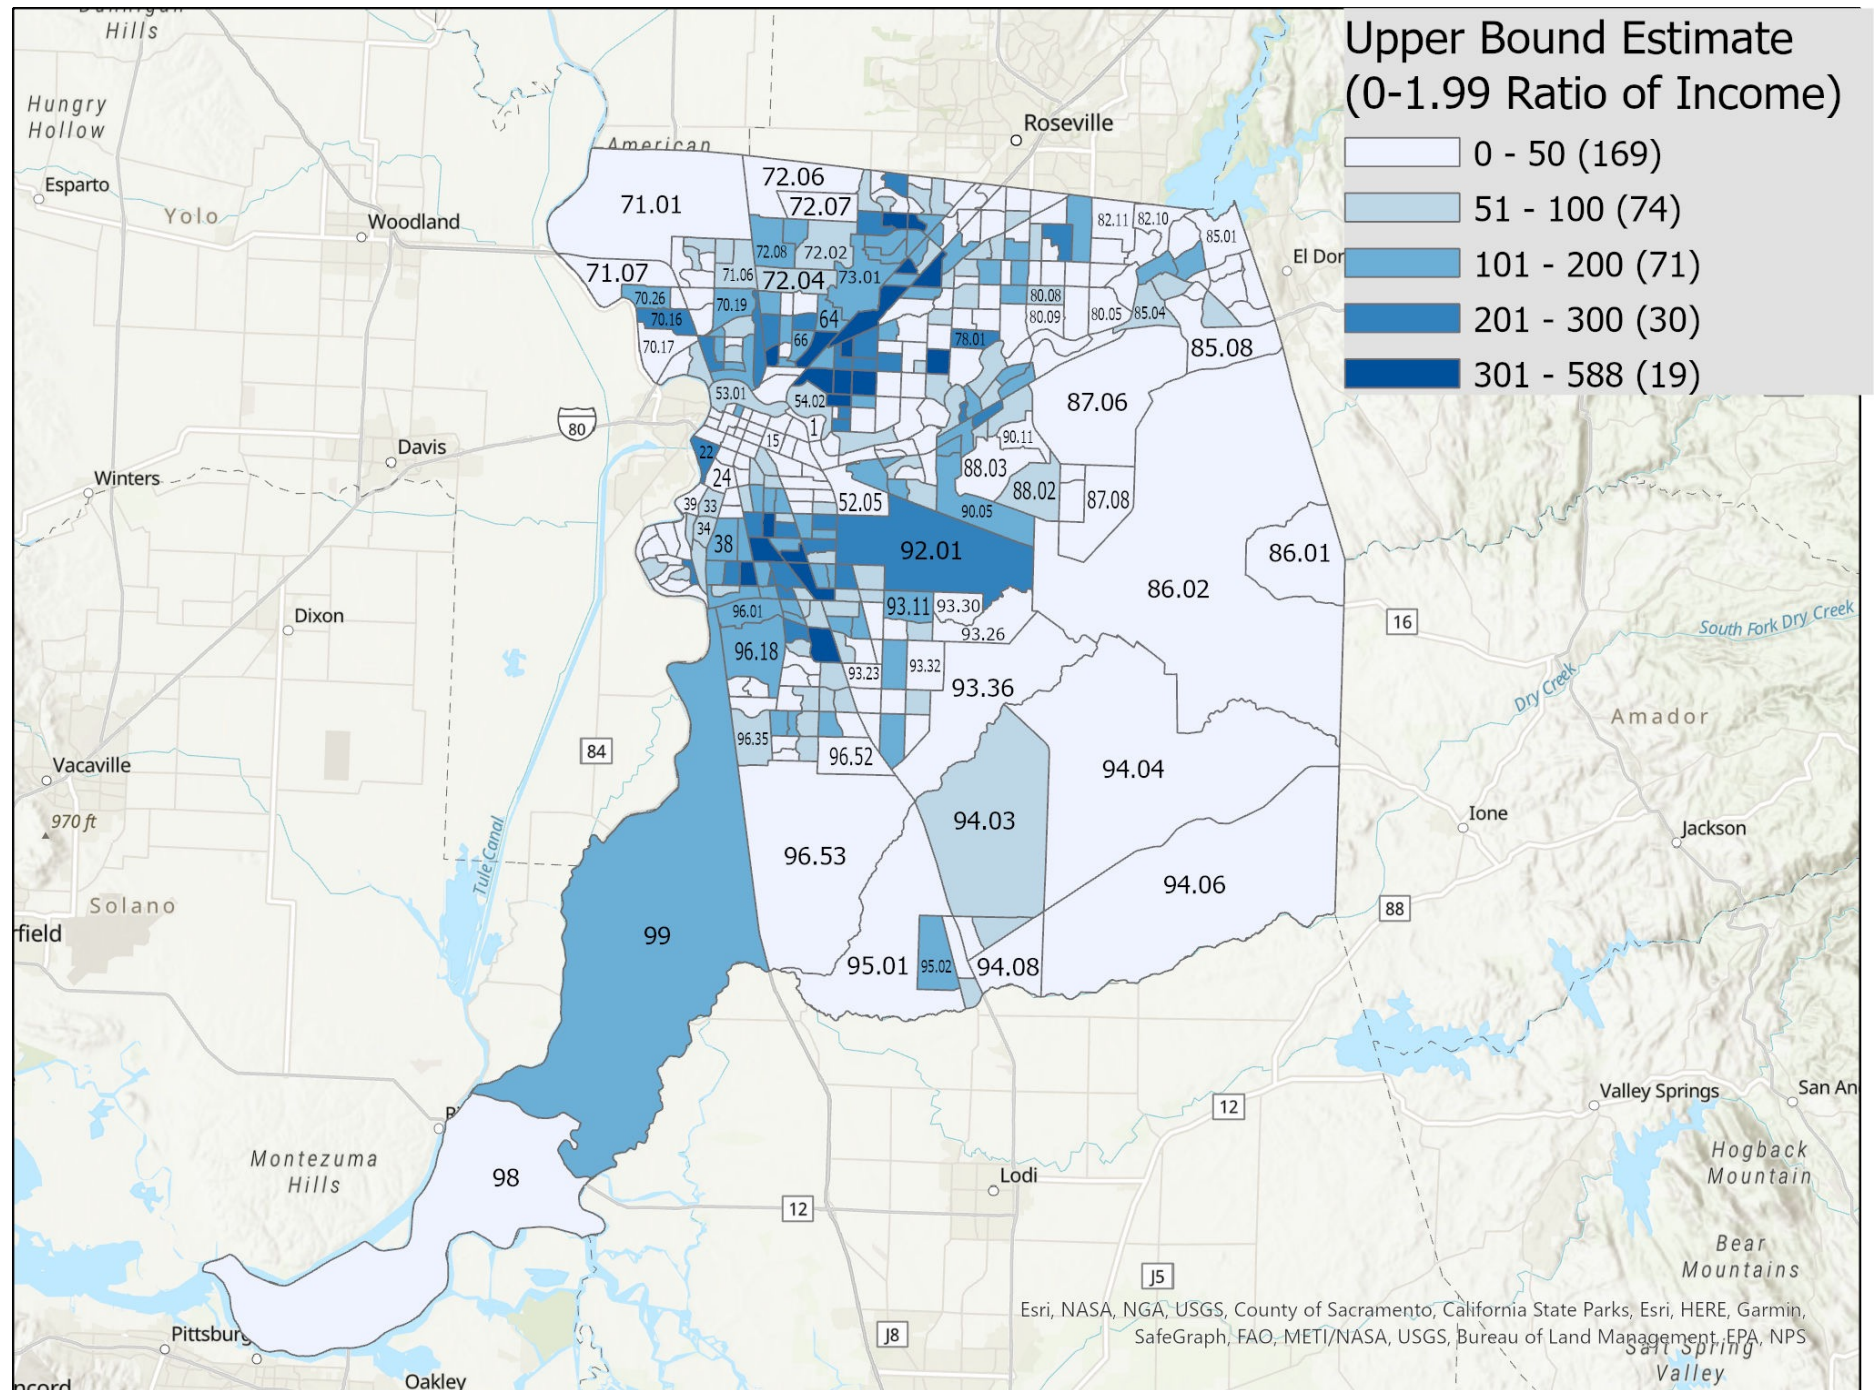

- Have HS within 8 miles
80% of all eligible children
- Have HS within 8 miles
but need to share slots
16% of all eligible children
- Have no HS within 8
miles
4% of all eligible children

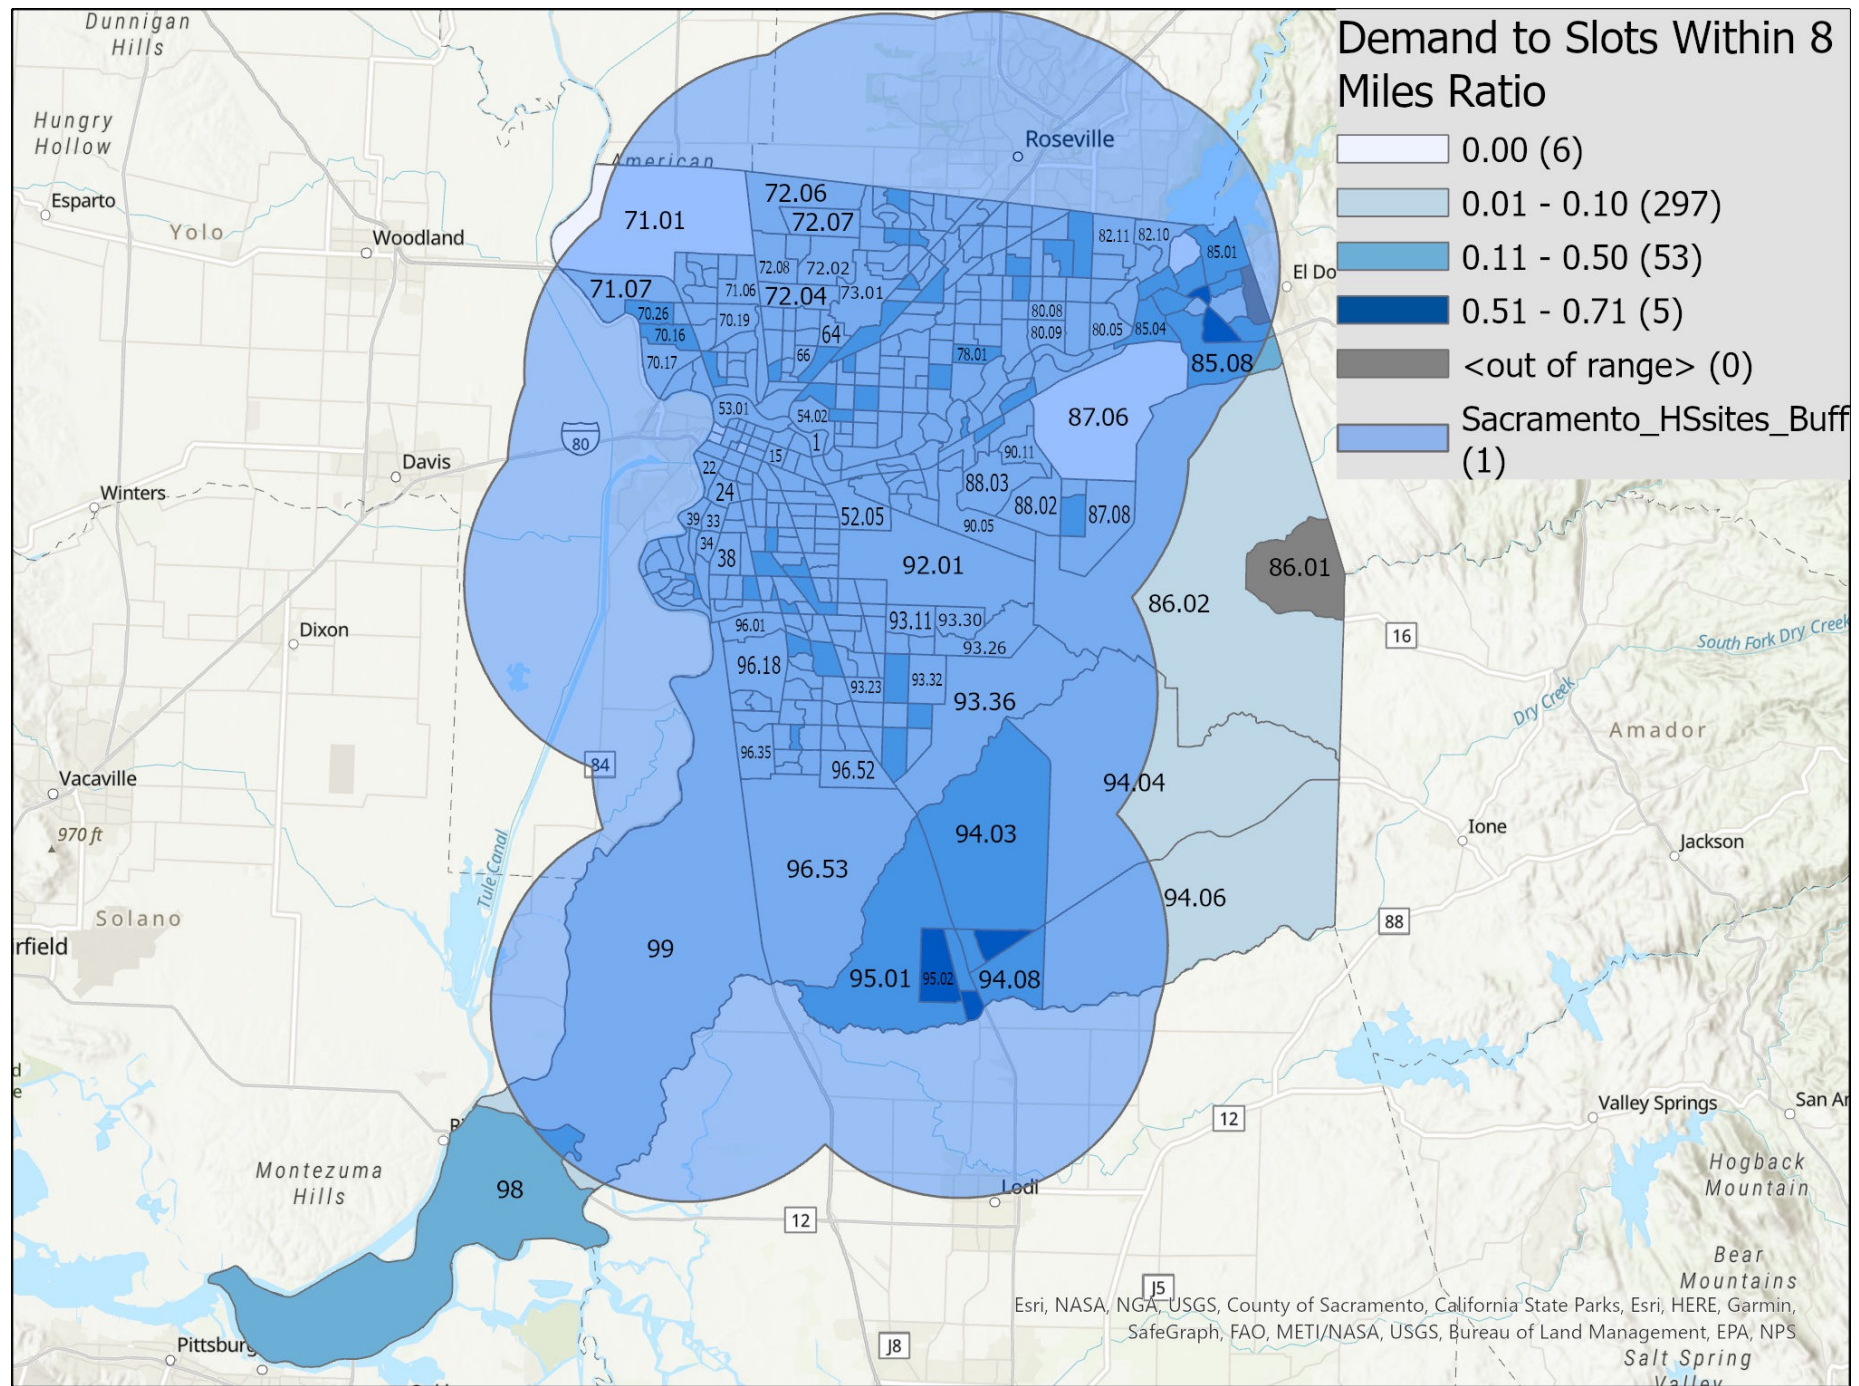

SACRAMENTO

- #8 in number of children under 5 living in or near poverty (33,296 children)
- #29 in demand to supply (6 children per slot)

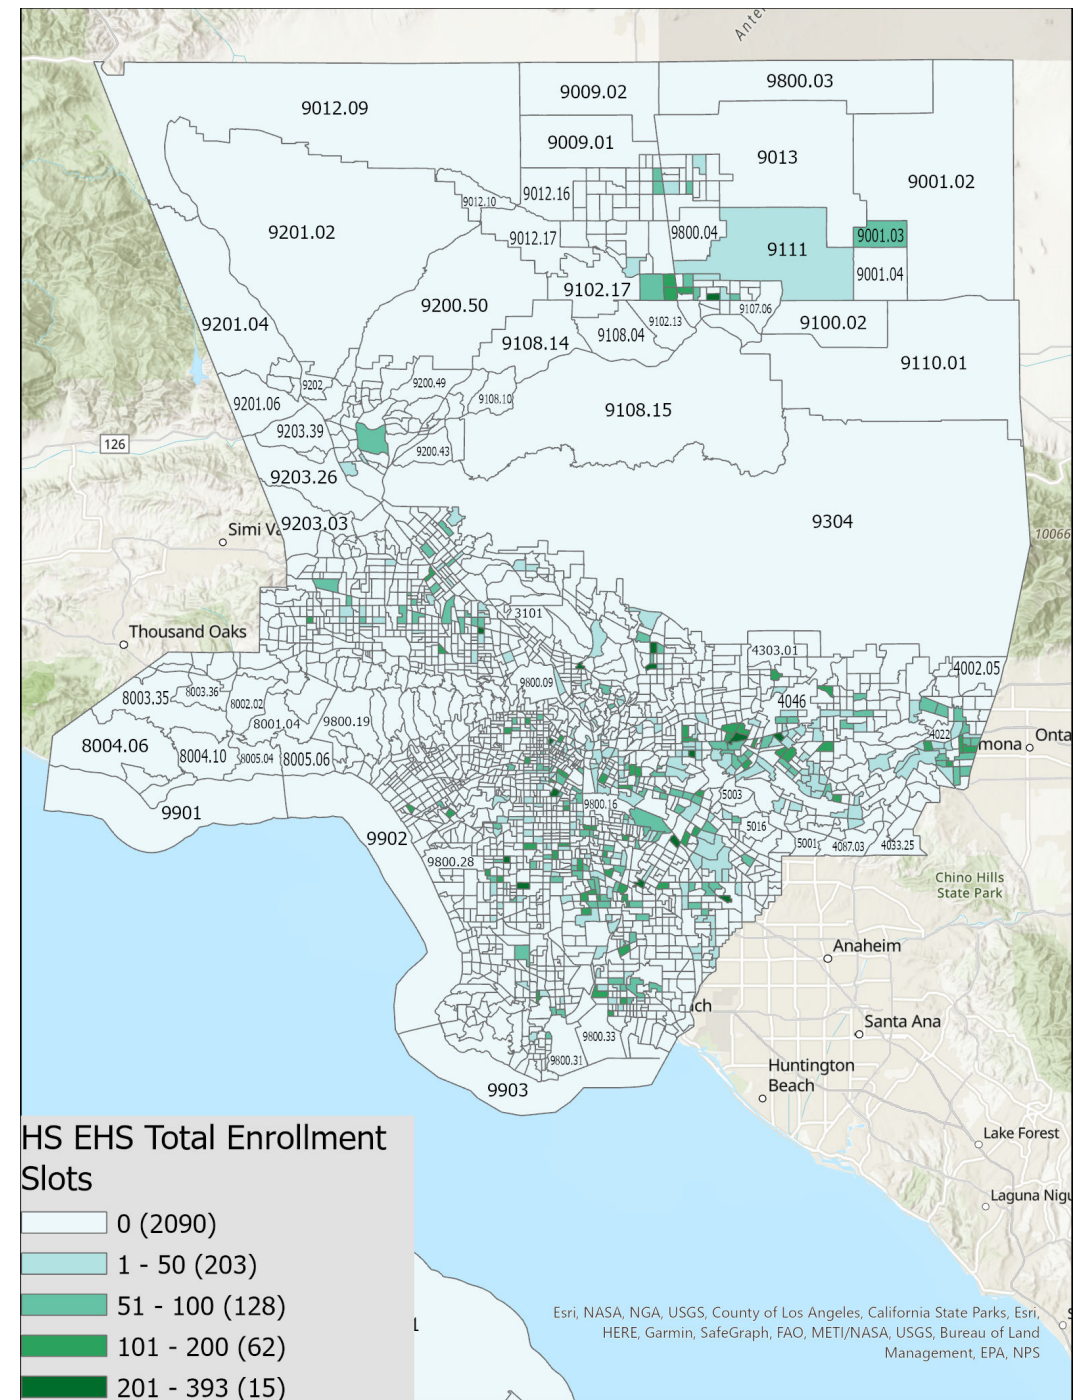

- Have HS within 8 miles
- Almost 100% of all eligible children

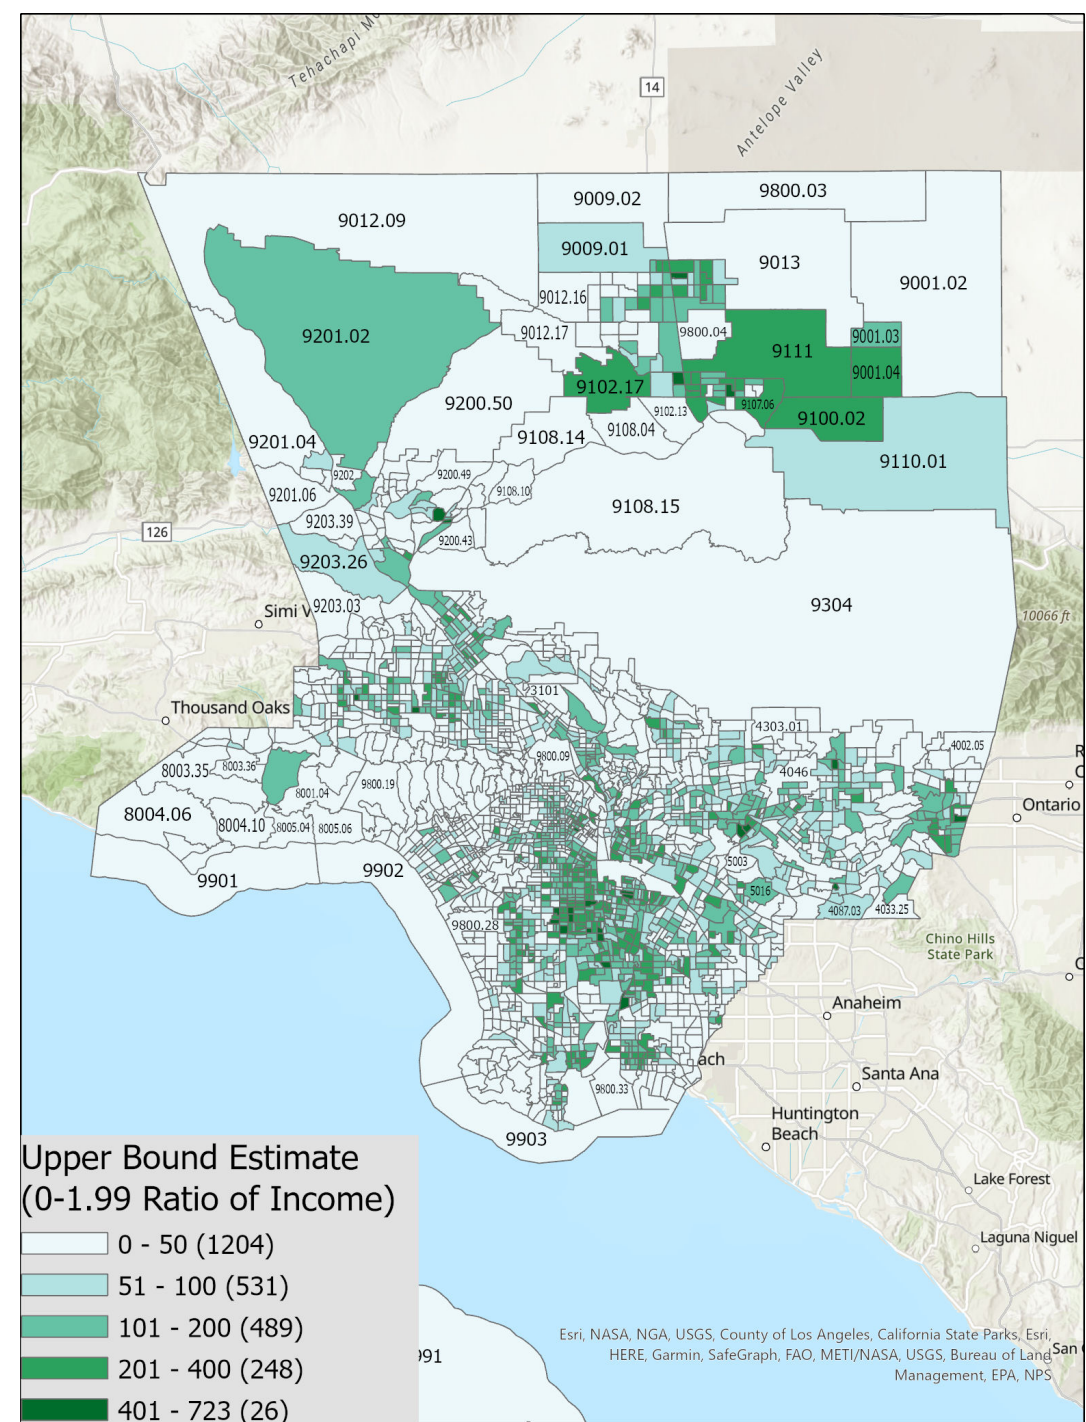

LOS ANGELES

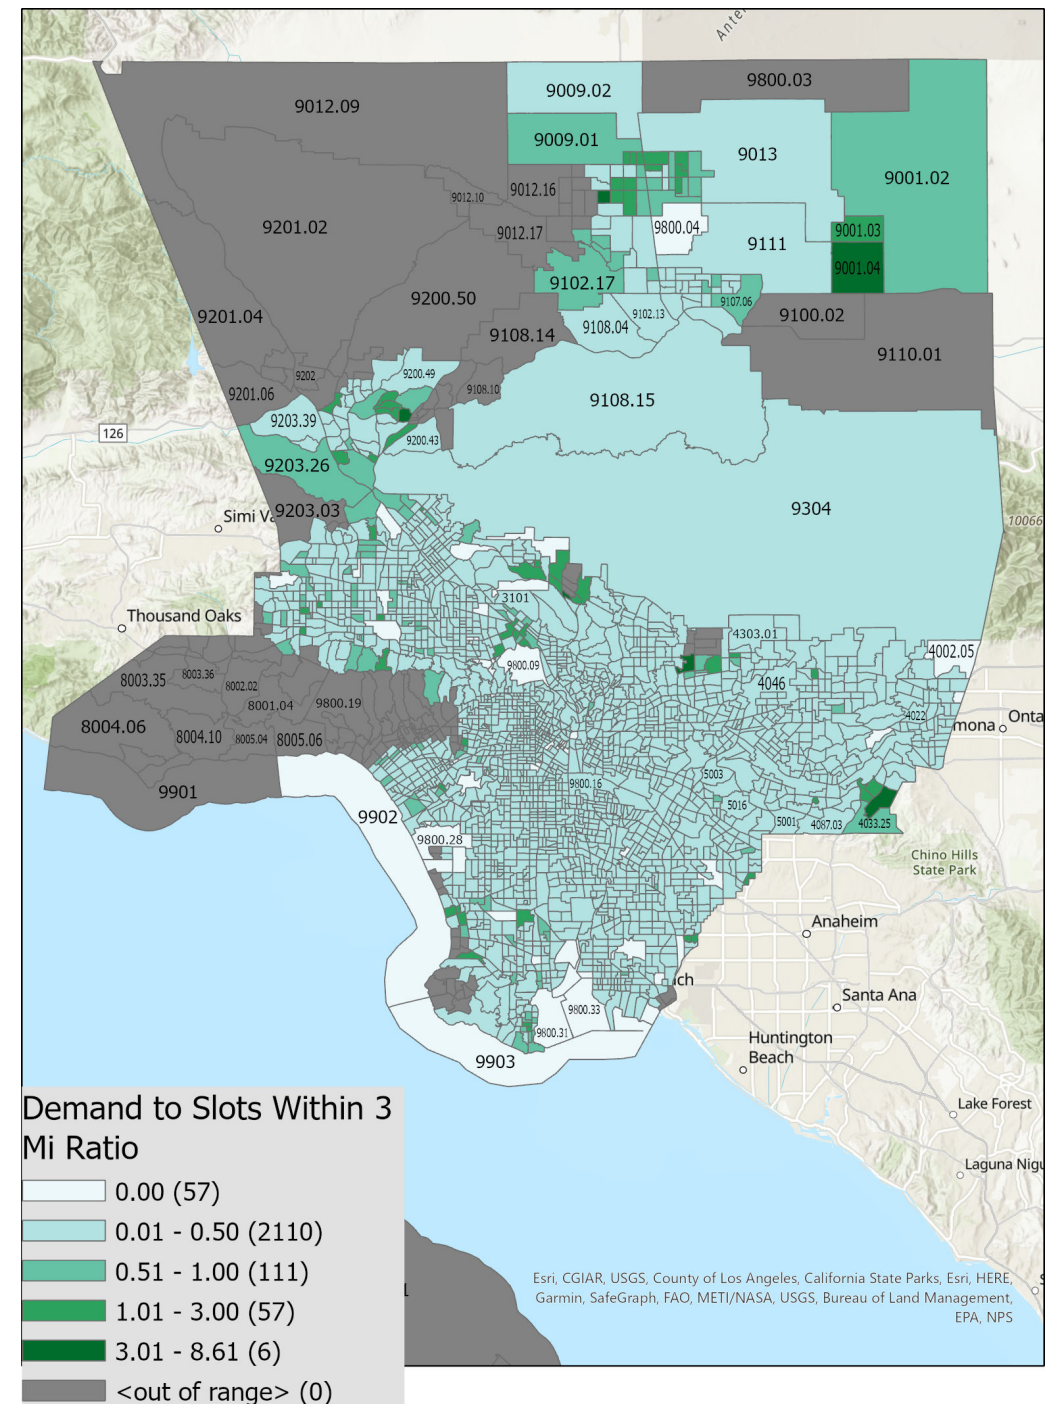

- 2,498 tracts
- #1 in service supply (512 locations, 26,719 slots)
- Head Start presence in 16% of all tracts, or 408 tracts

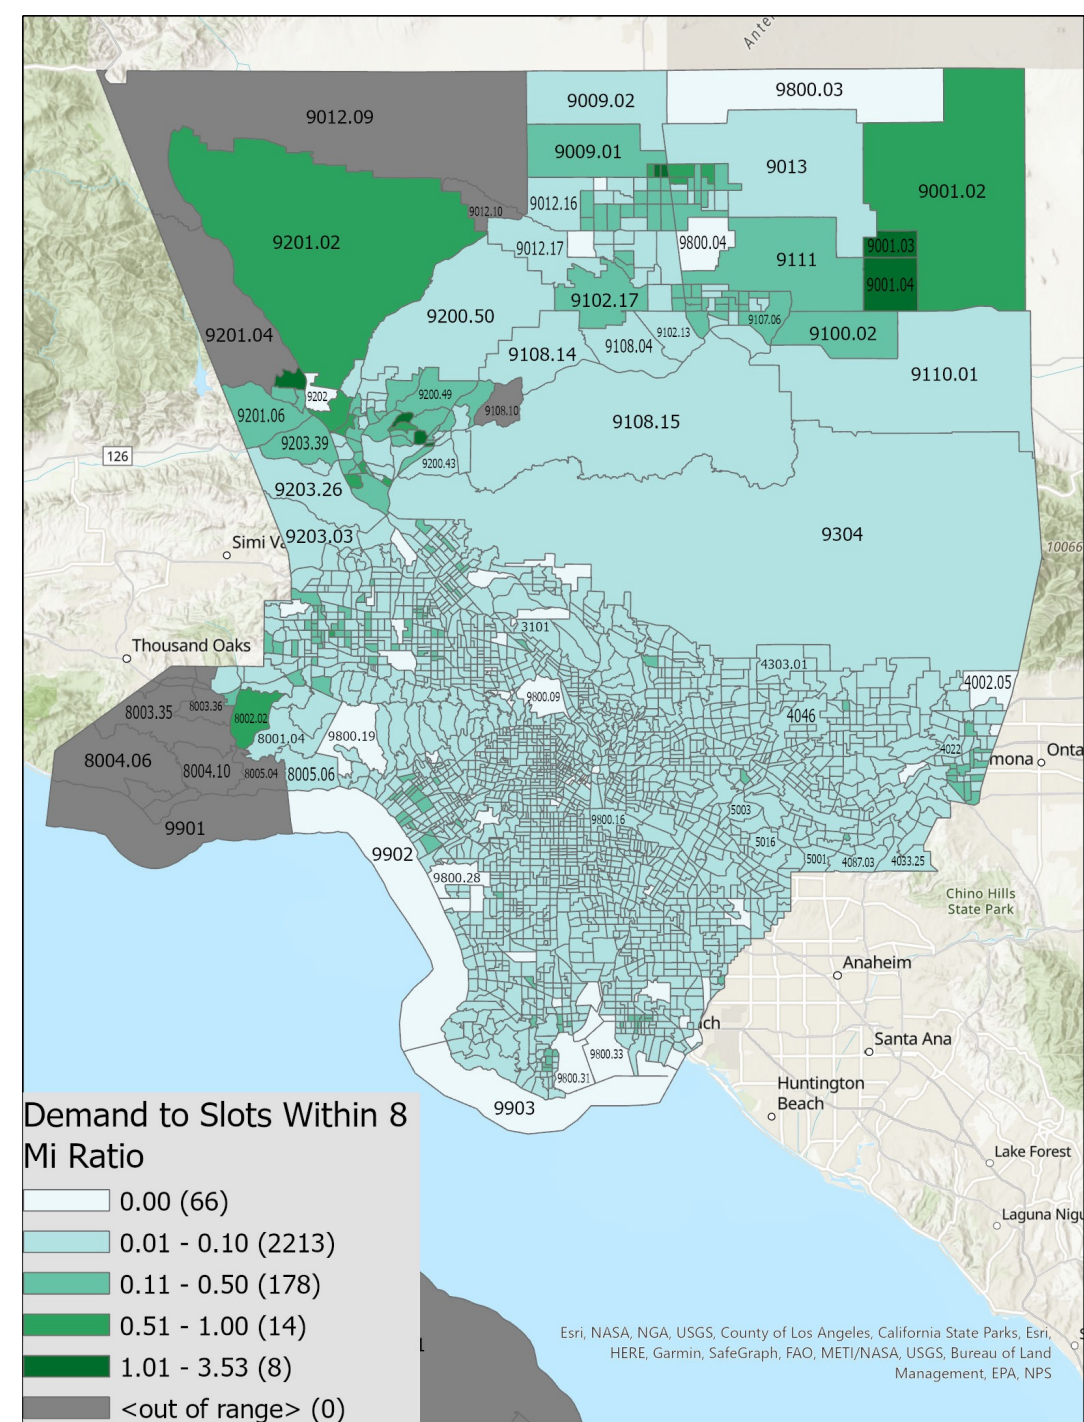

- #1 in number of children under 5 living in or near poverty (204,983 children)
- #22 in demand to supply (7 children per slot)

- Have HS within 3 miles
93% of all eligible children
- Have HS within 3 miles but need to share slots
5% of all eligible children
- Have no HS within 3 miles
2% of all eligible children

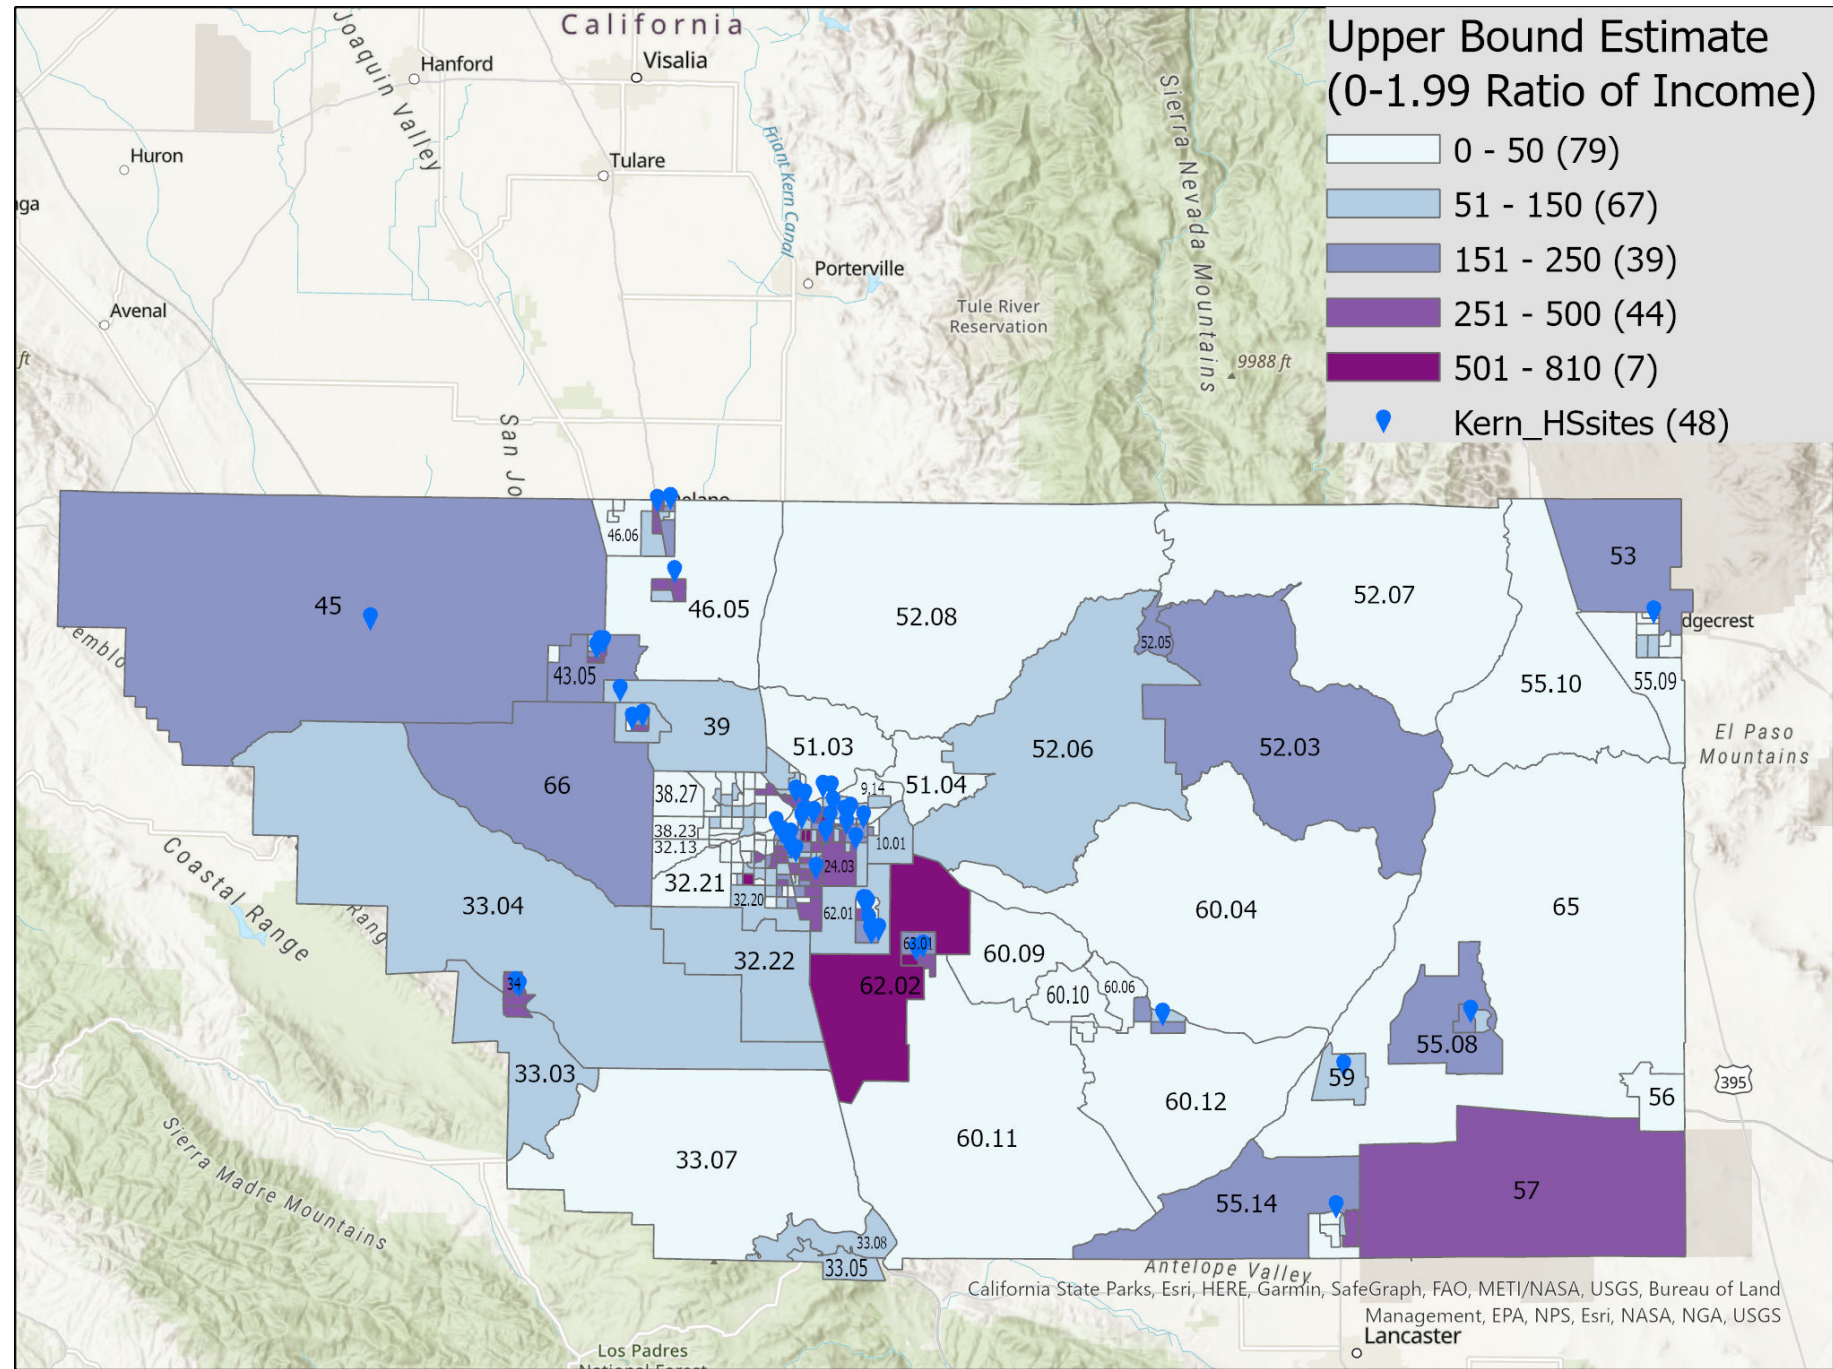

- Have HS within 8 miles
99% of all eligible children
- Have HS within 8 miles but need to share slots
1% of all eligible children
- Have no HS within 8 miles
0.1% of all eligible children

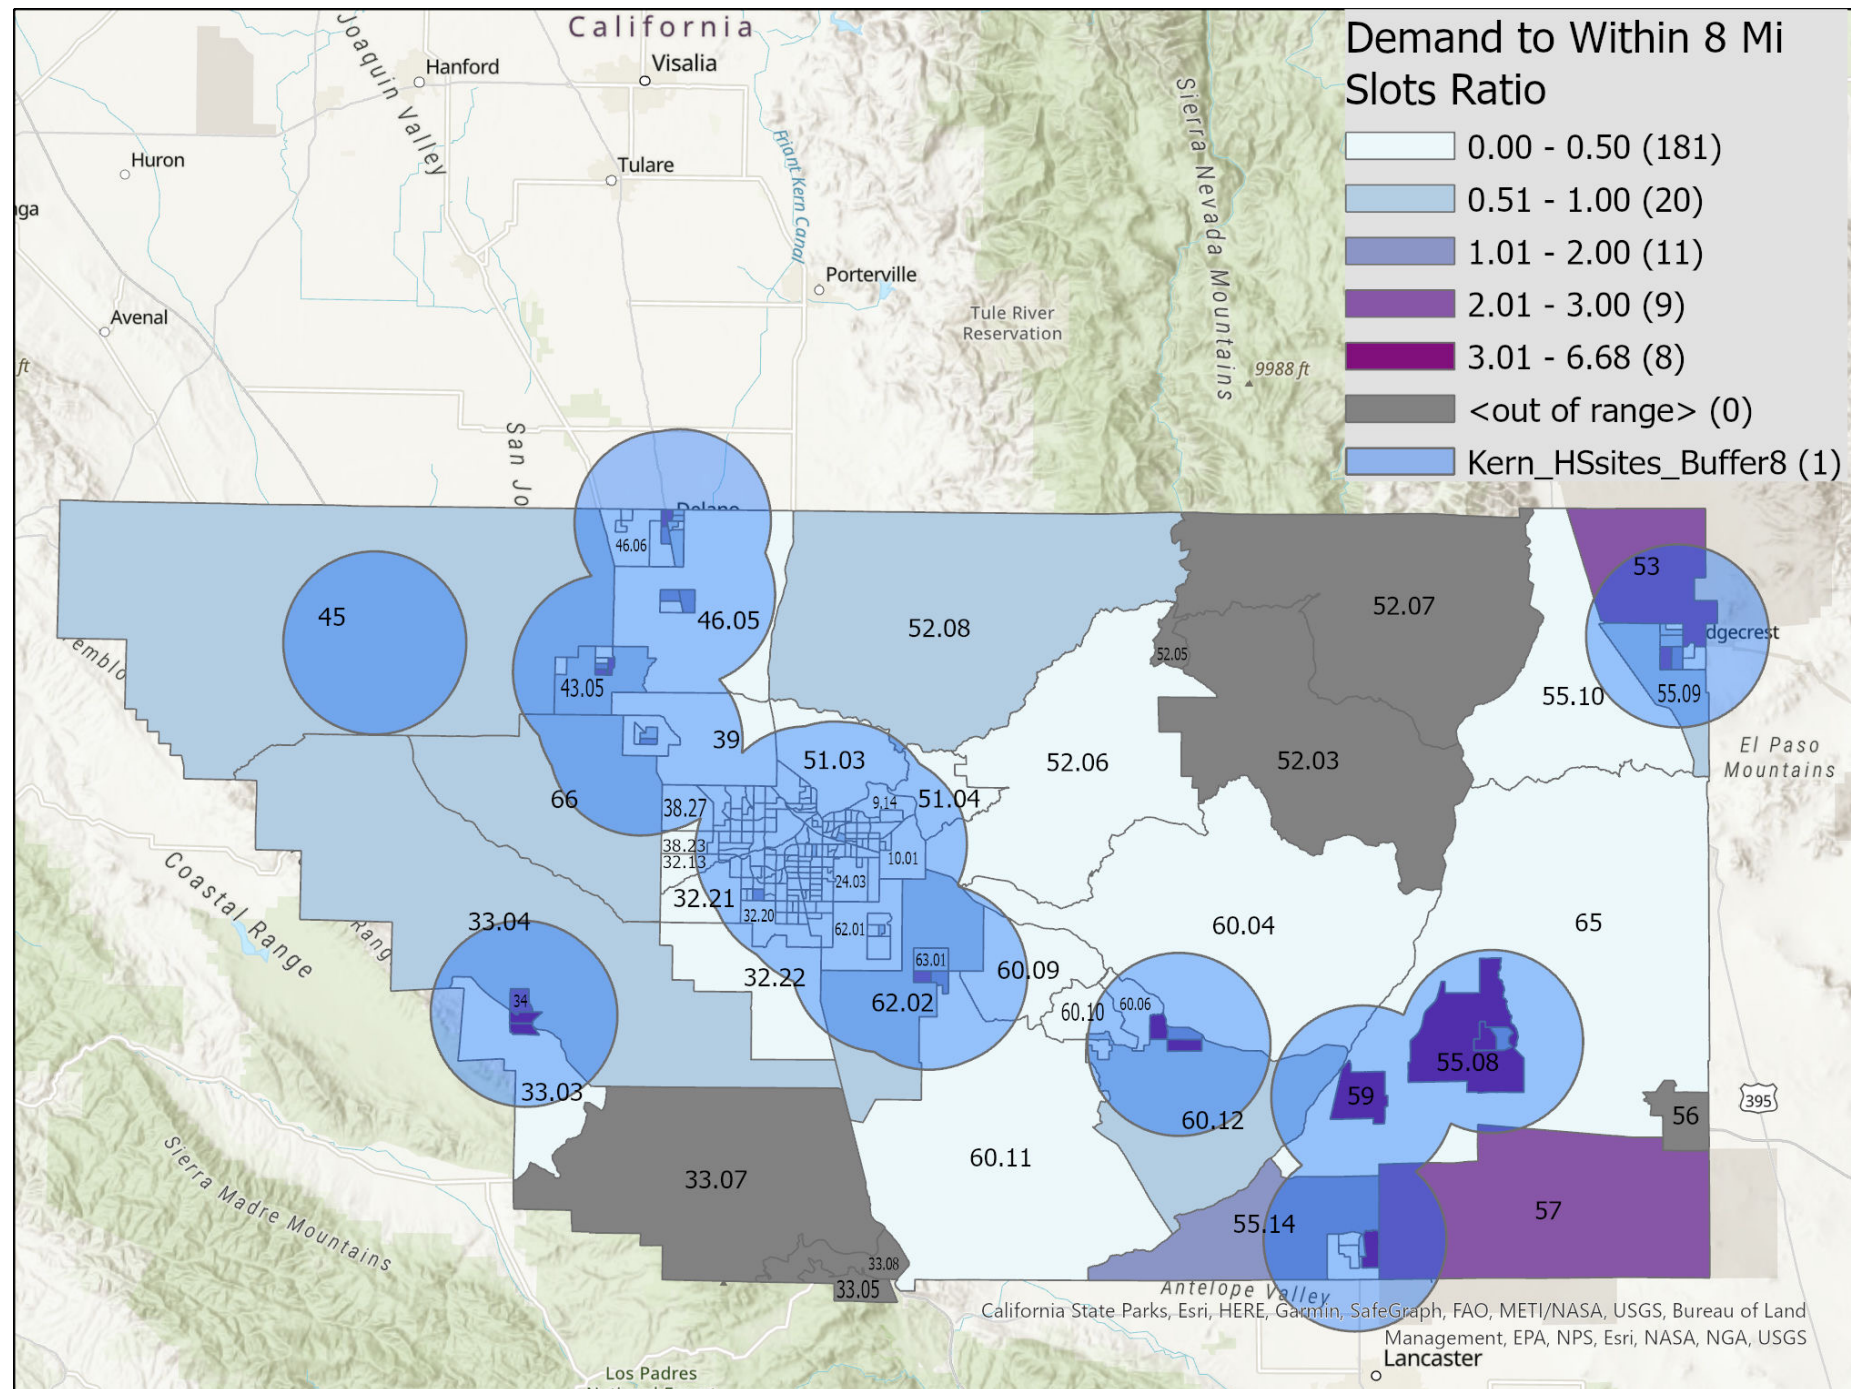

KERN

- # 7 in number of children under 5 living in or near poverty (33,548 children)
- #10 in disparity level 49.28%
- #4 in demand to supply (15 children per slot)

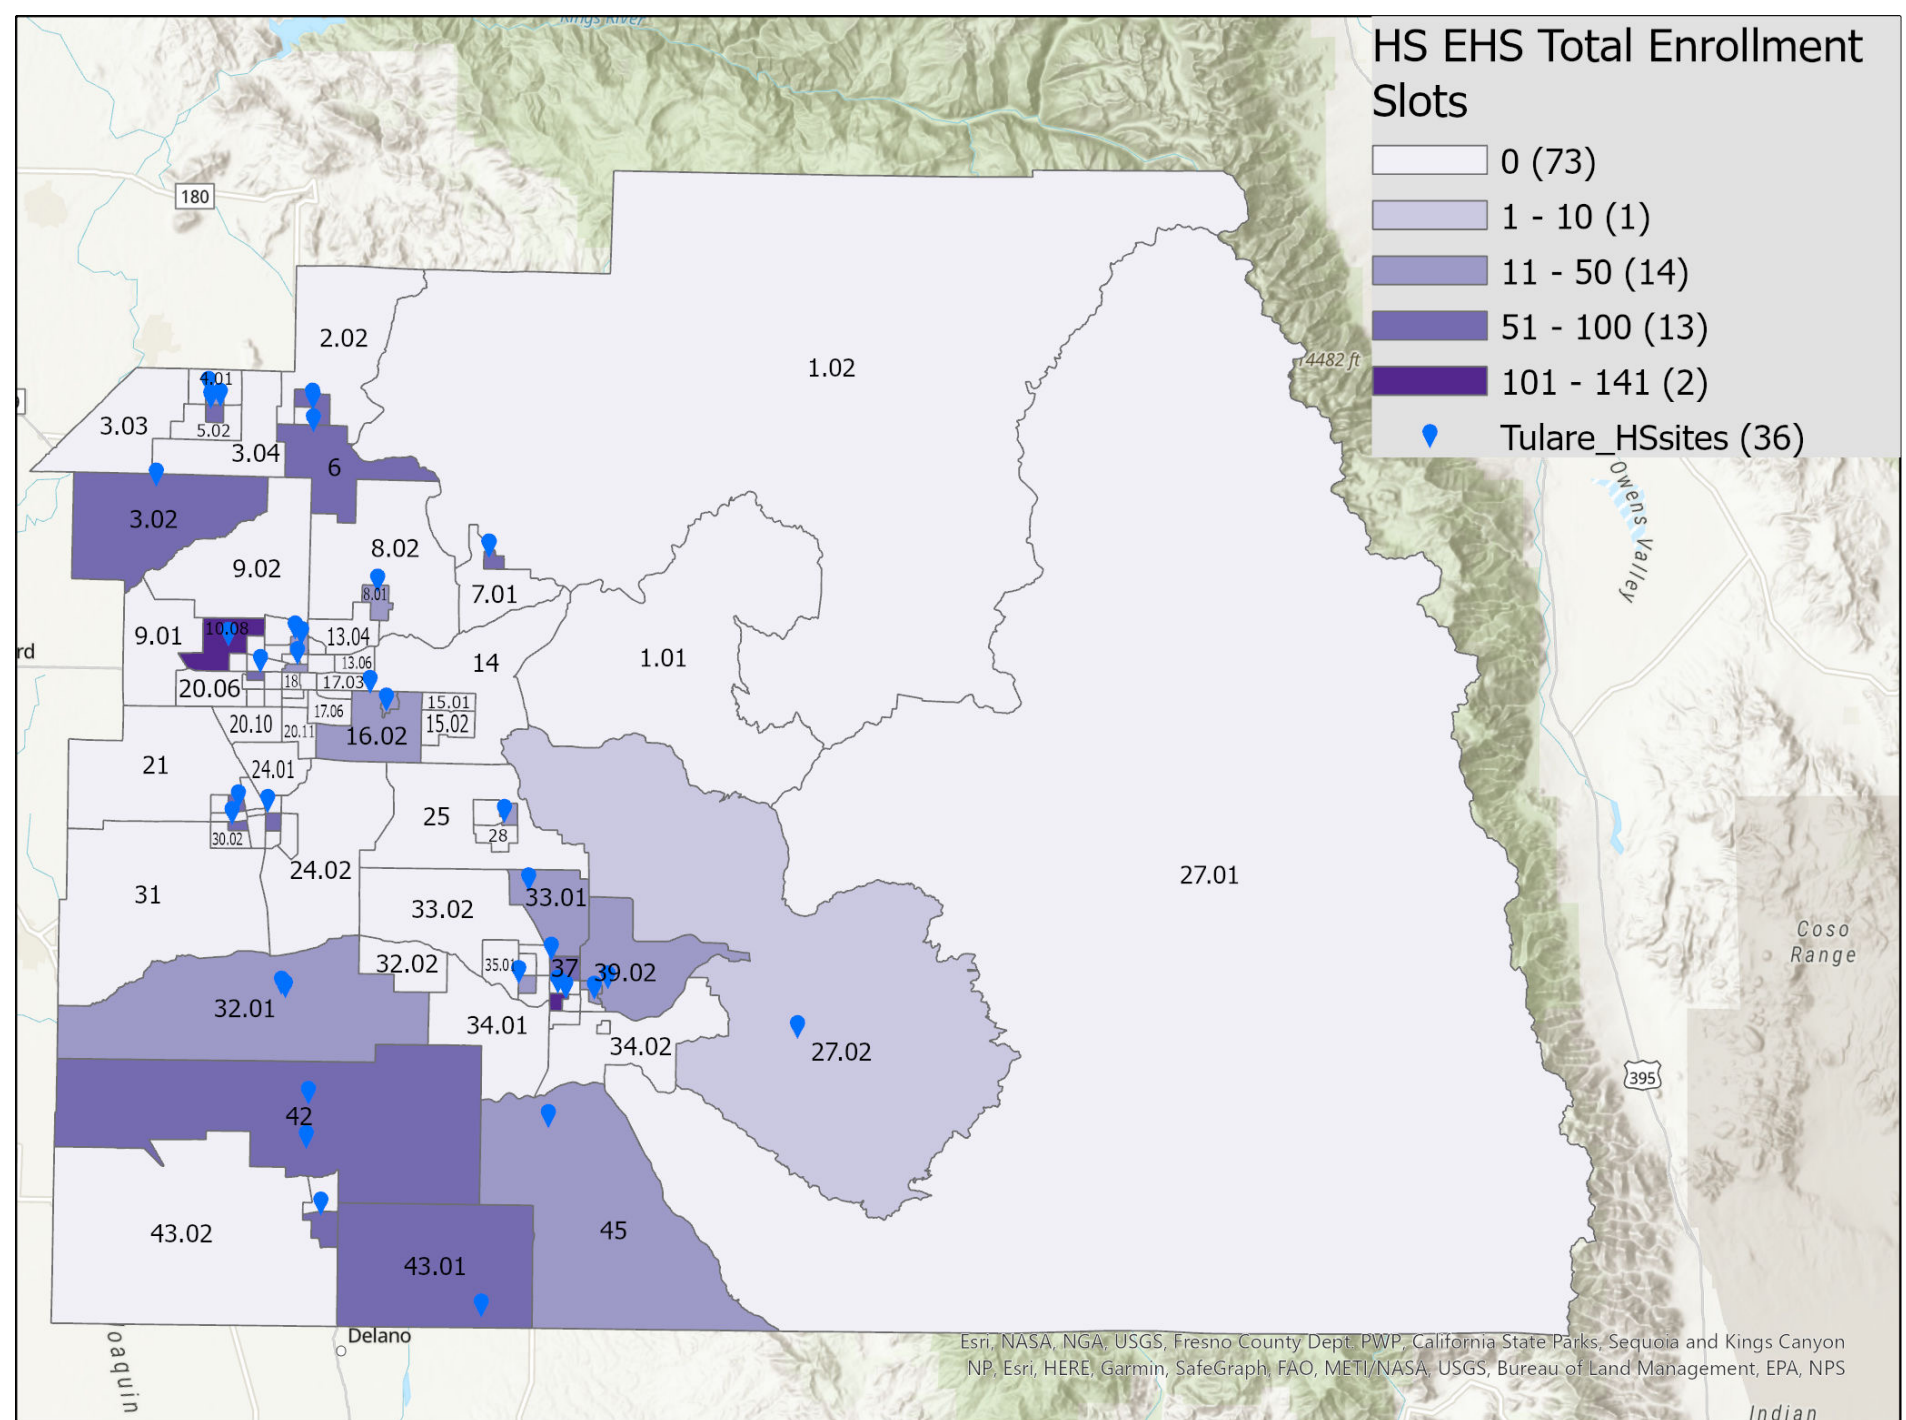

- Have HS within 8 miles
75% of all eligible children
- Have HS within 8 miles
but need to share slots
23% of all eligible children
- Have no HS within 8
miles
2% of all eligible children

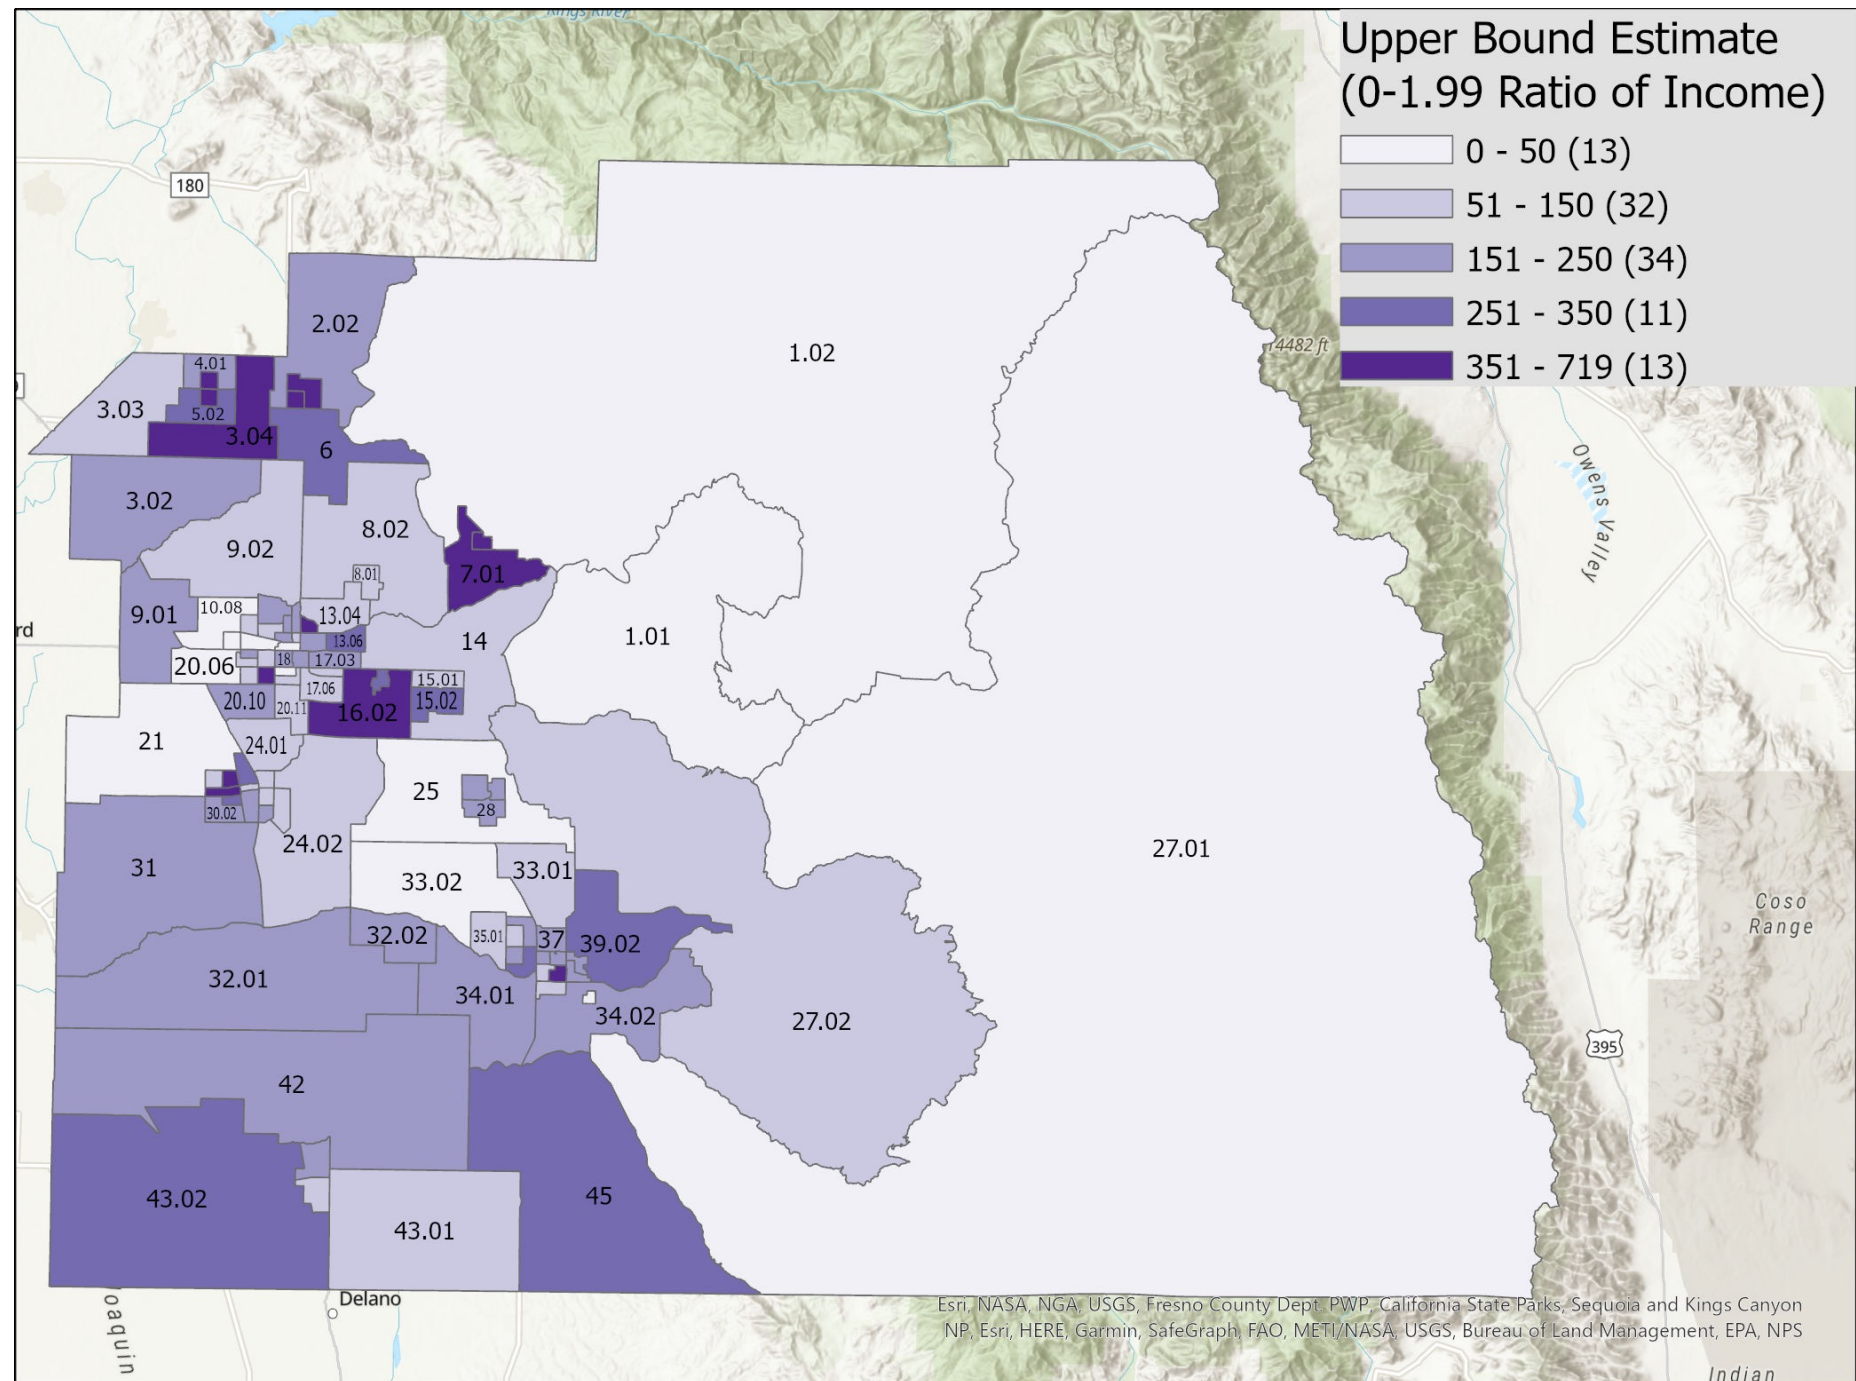

TULARE

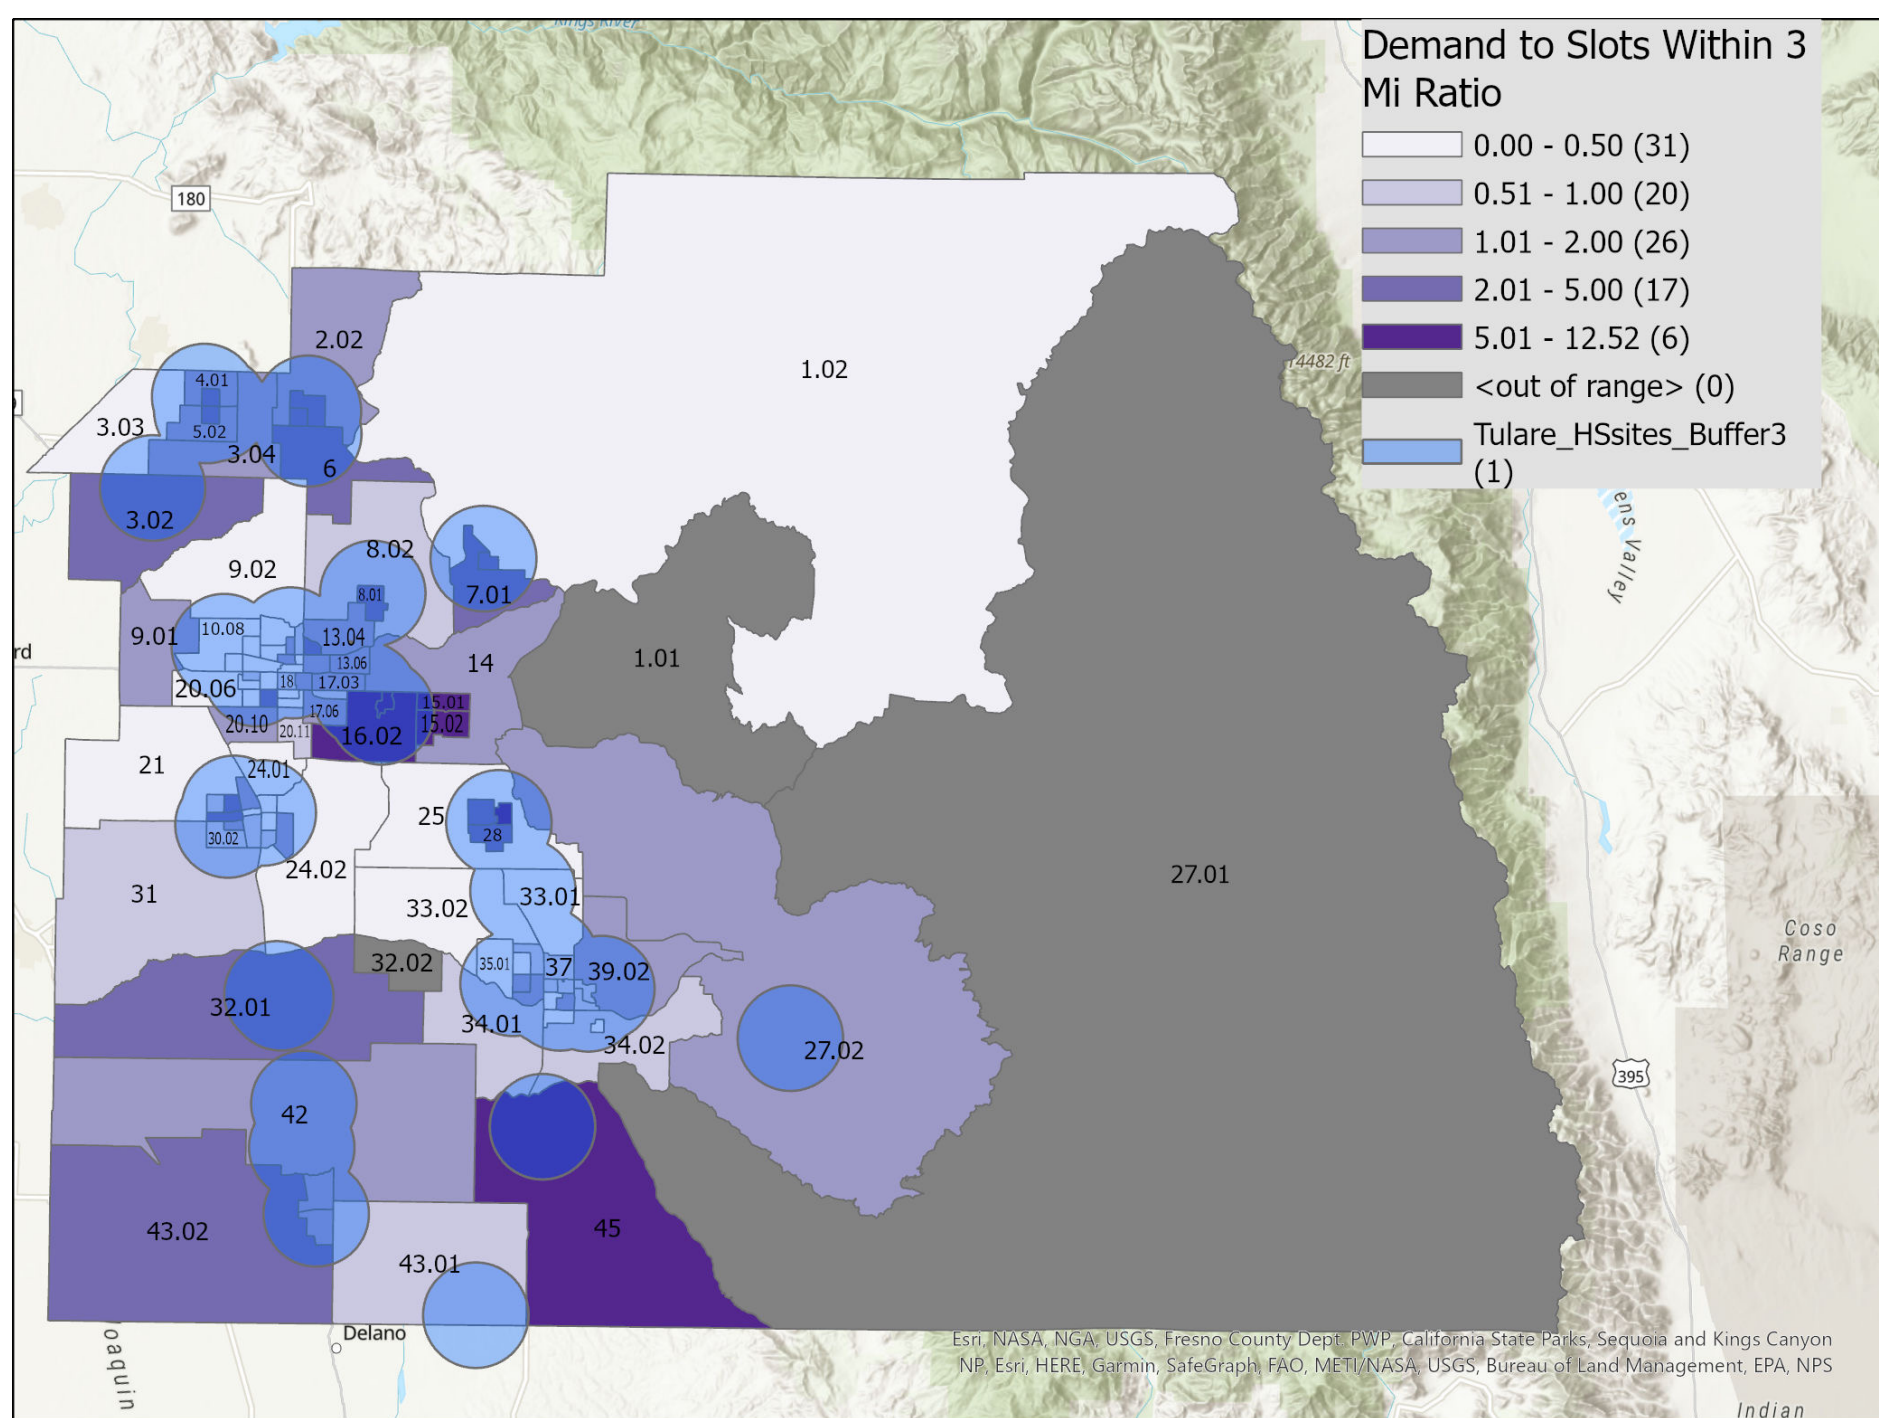

- 103 tracts
- #14 in service supply (36 locations, 1,629 slots)
- Head Start presence in 29% of all tracts, or 30 tracts

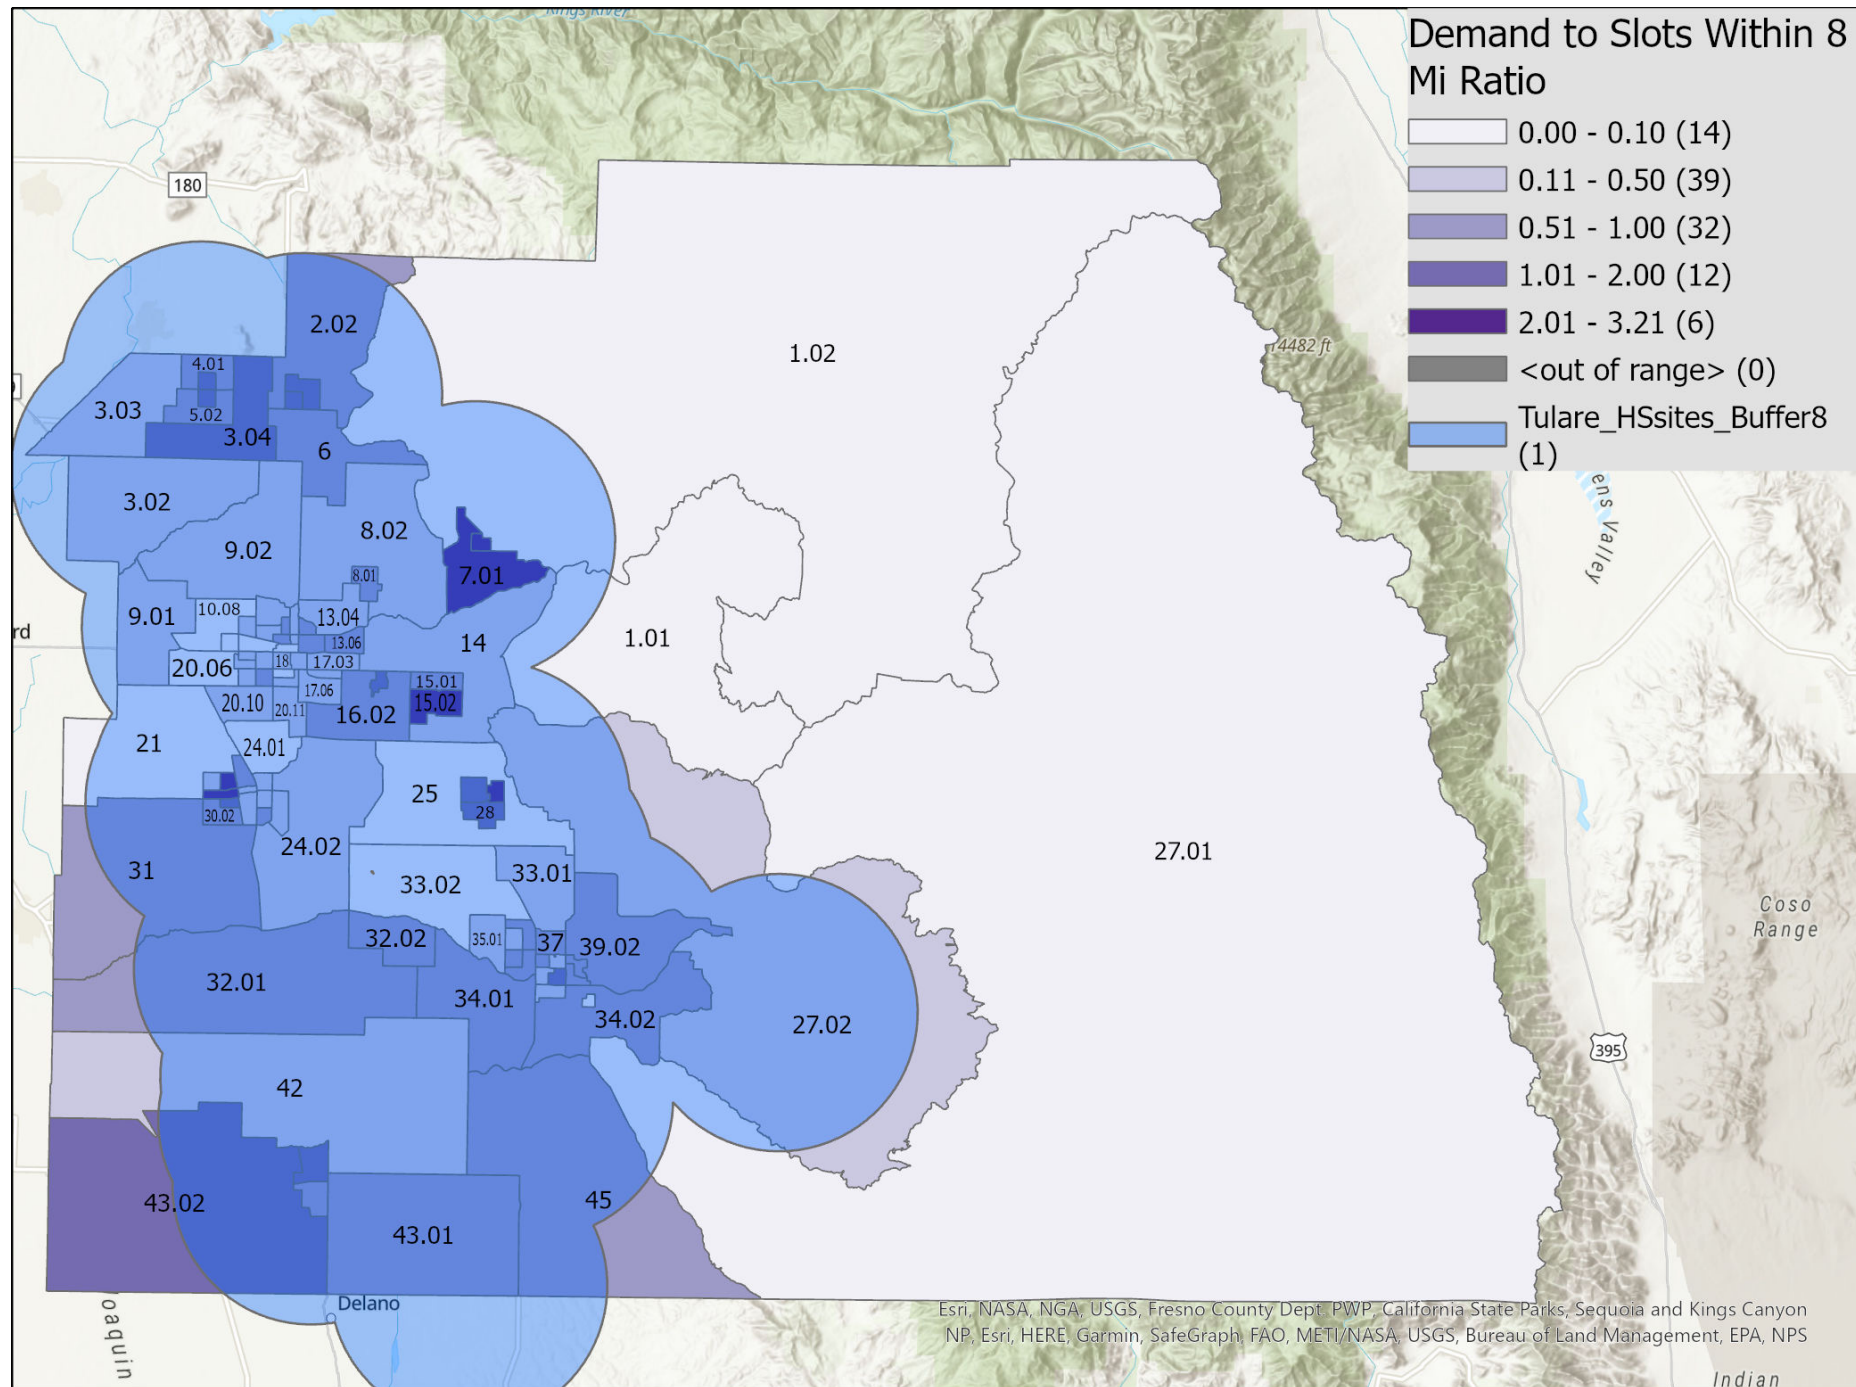

- #10 in number of children under 5 living in or near poverty (19,113 children)
- #4 in disparity level 52.59%
- #9 in demand to supply (11 children per slot)

- Have HS within 3 miles
28% of all eligible children
- Have HS within 3 miles
but need to share slots
71% of all eligible children
- Have no HS within 3 miles
1% of all eligible children

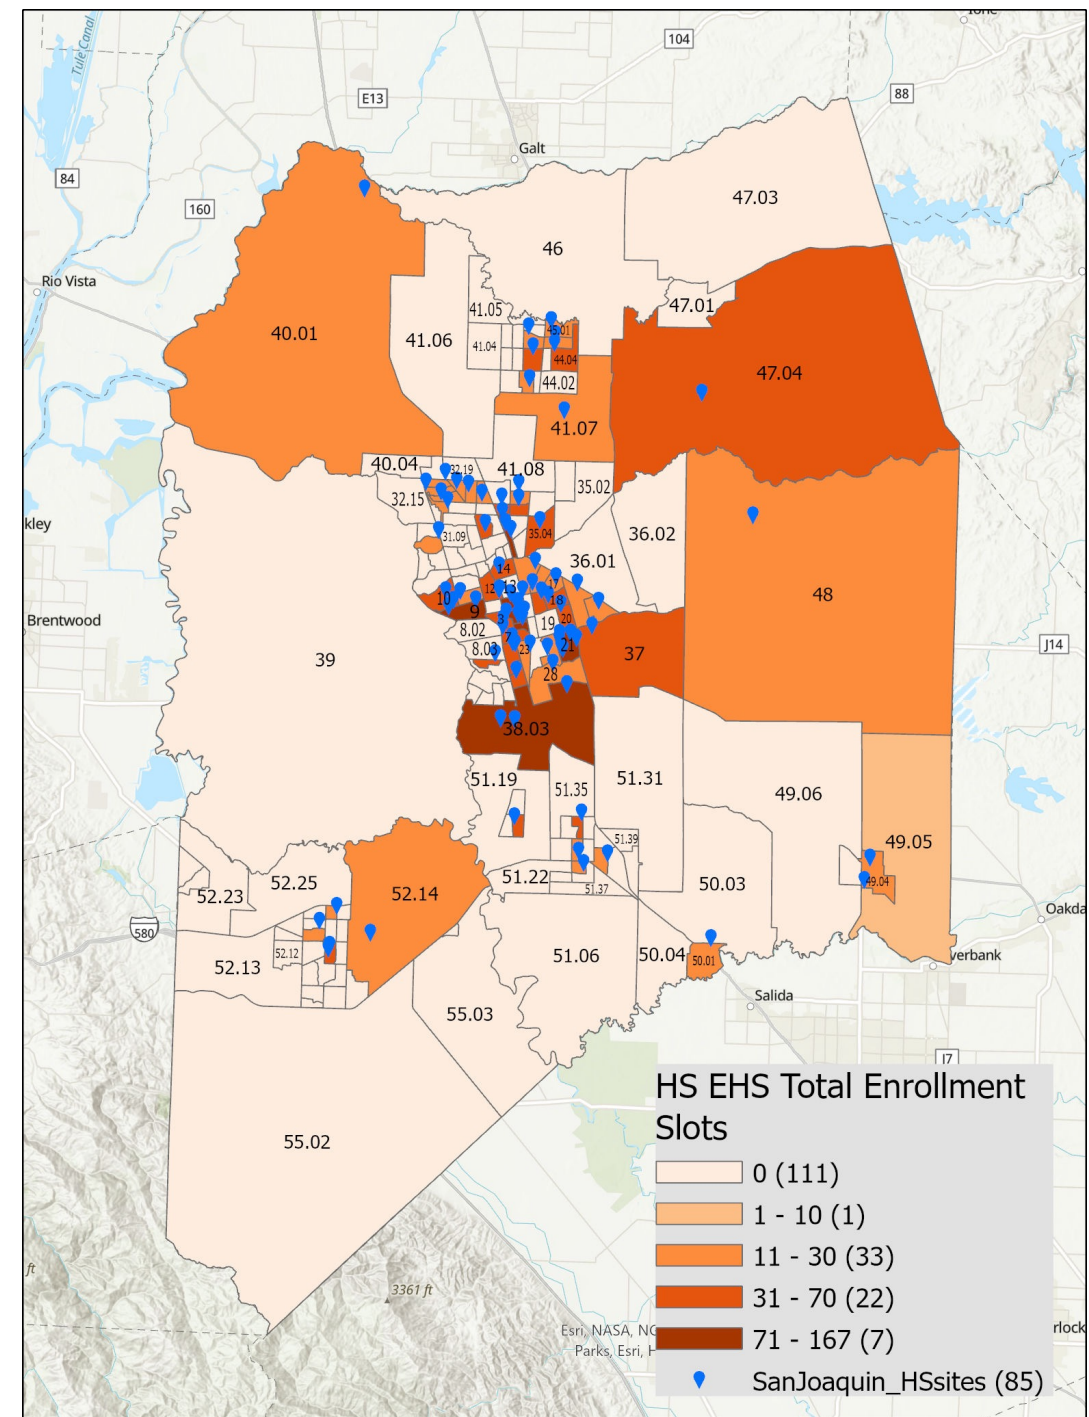

- Have HS within 8 miles
65% of all eligible children
- Have HS within 8 miles
but need to share slots
35% of all eligible children
- Have no HS within 8
miles
0% of all eligible children

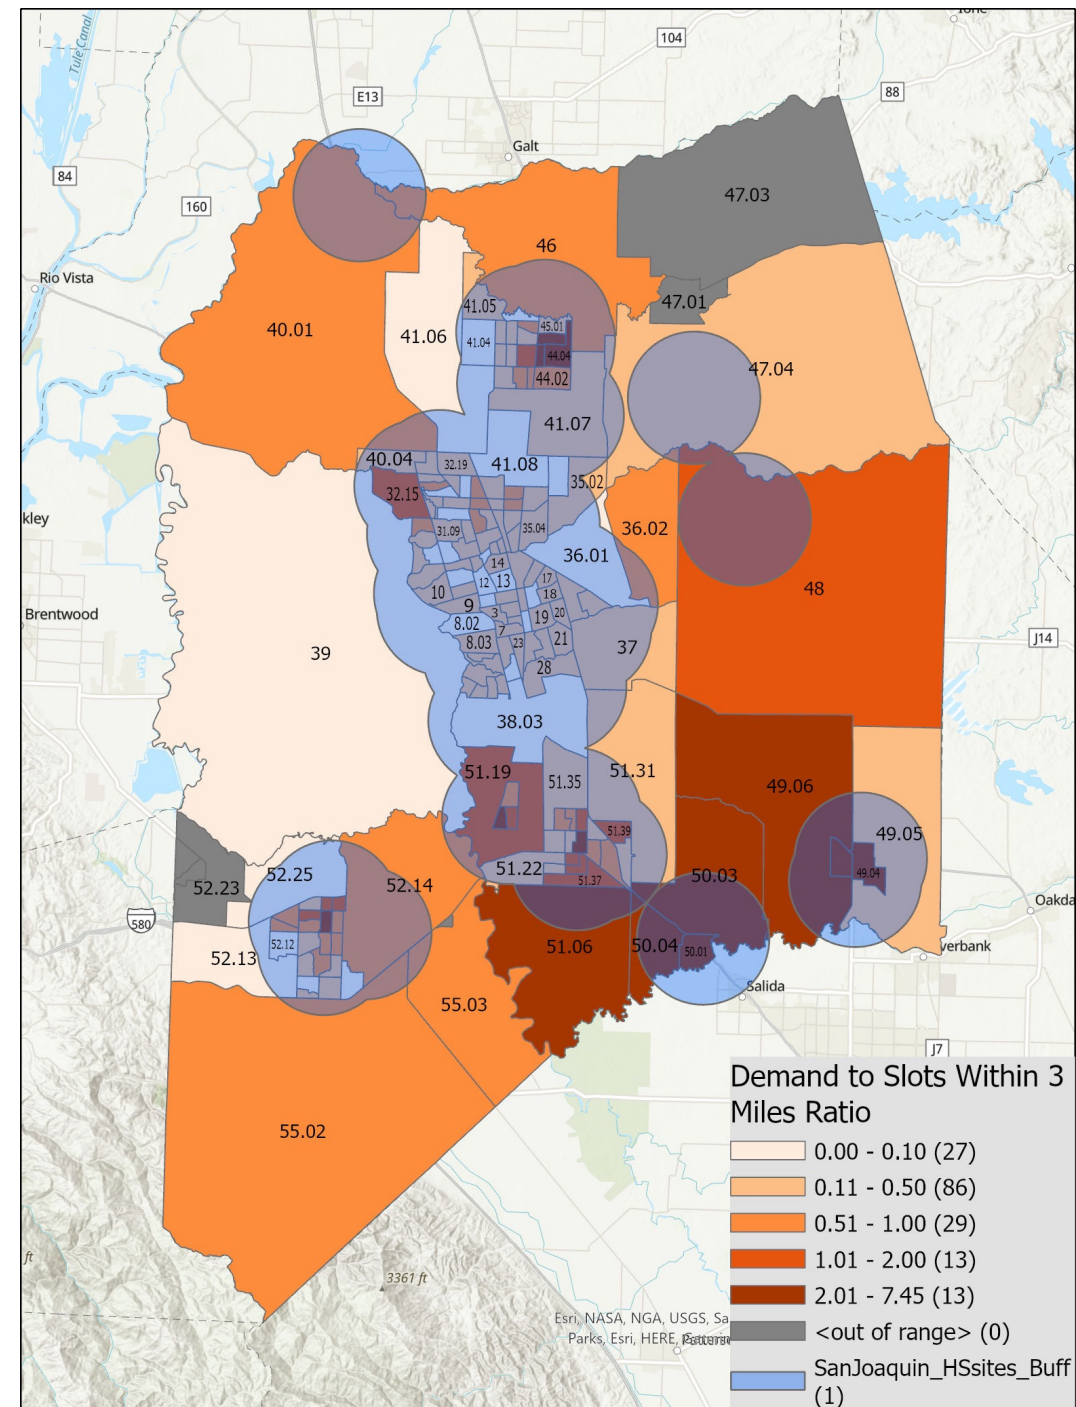

SAN JOAQUIN

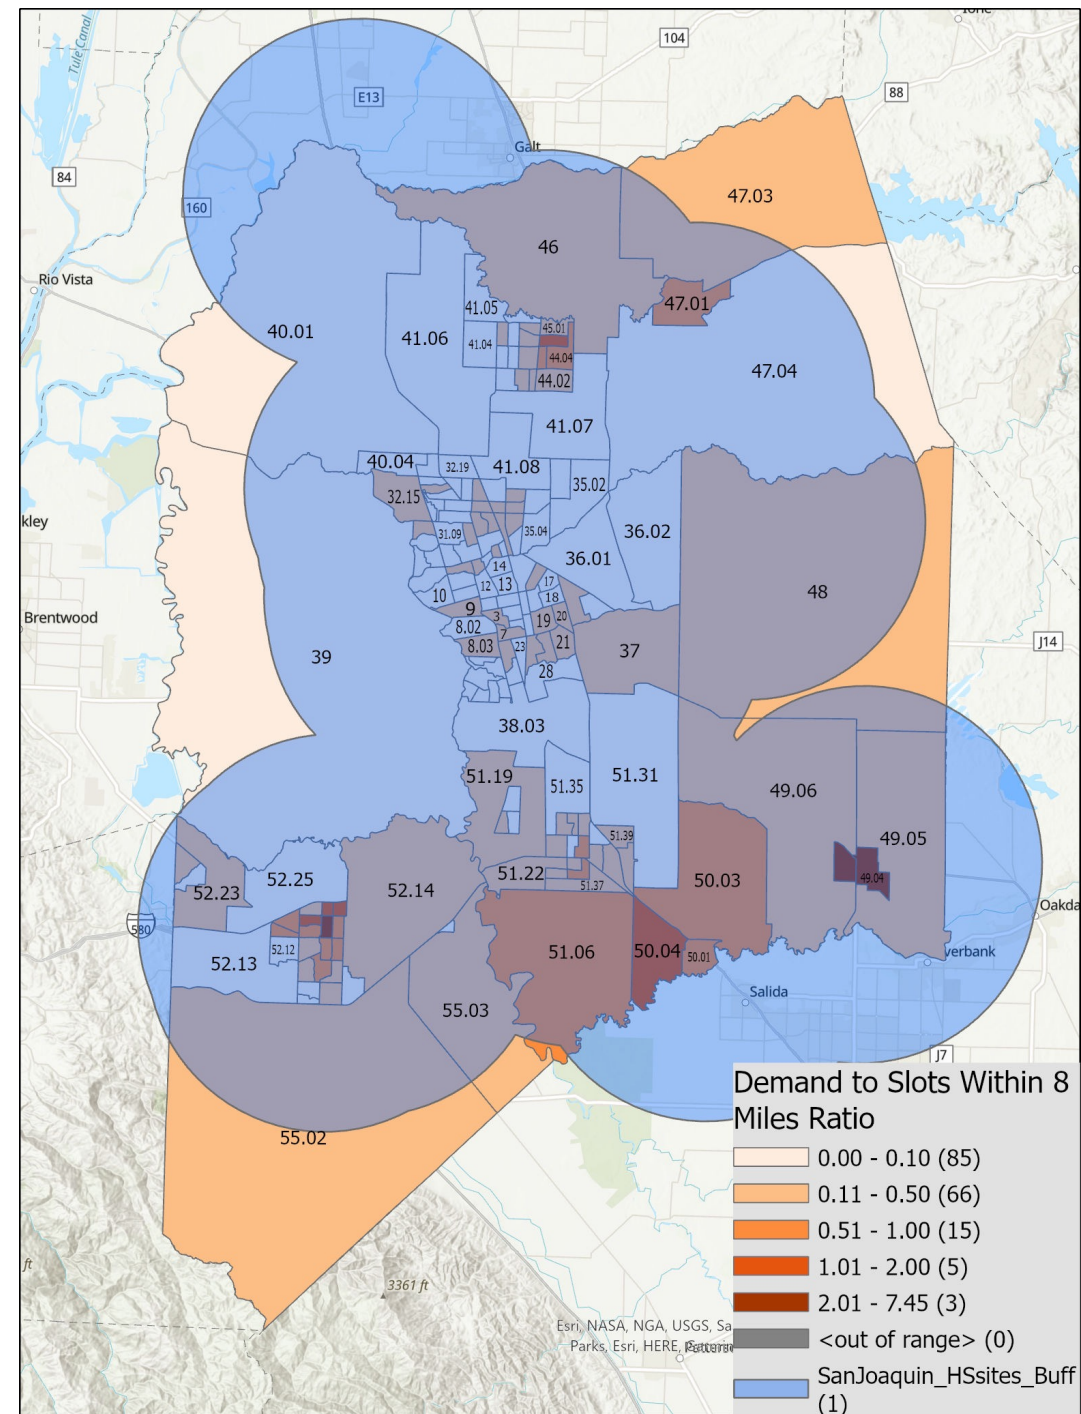

- 174 tracts
- #9 in service supply (85 locations, 2,441 slots)
- Head Start presence in 36% of all tracts, or 63 tracts

- Have HS within 3 miles
74% of all eligible children
- Have HS within 3 miles but need to share slots
25% of all eligible children
- Have no HS within 3 miles
1% of all eligible children

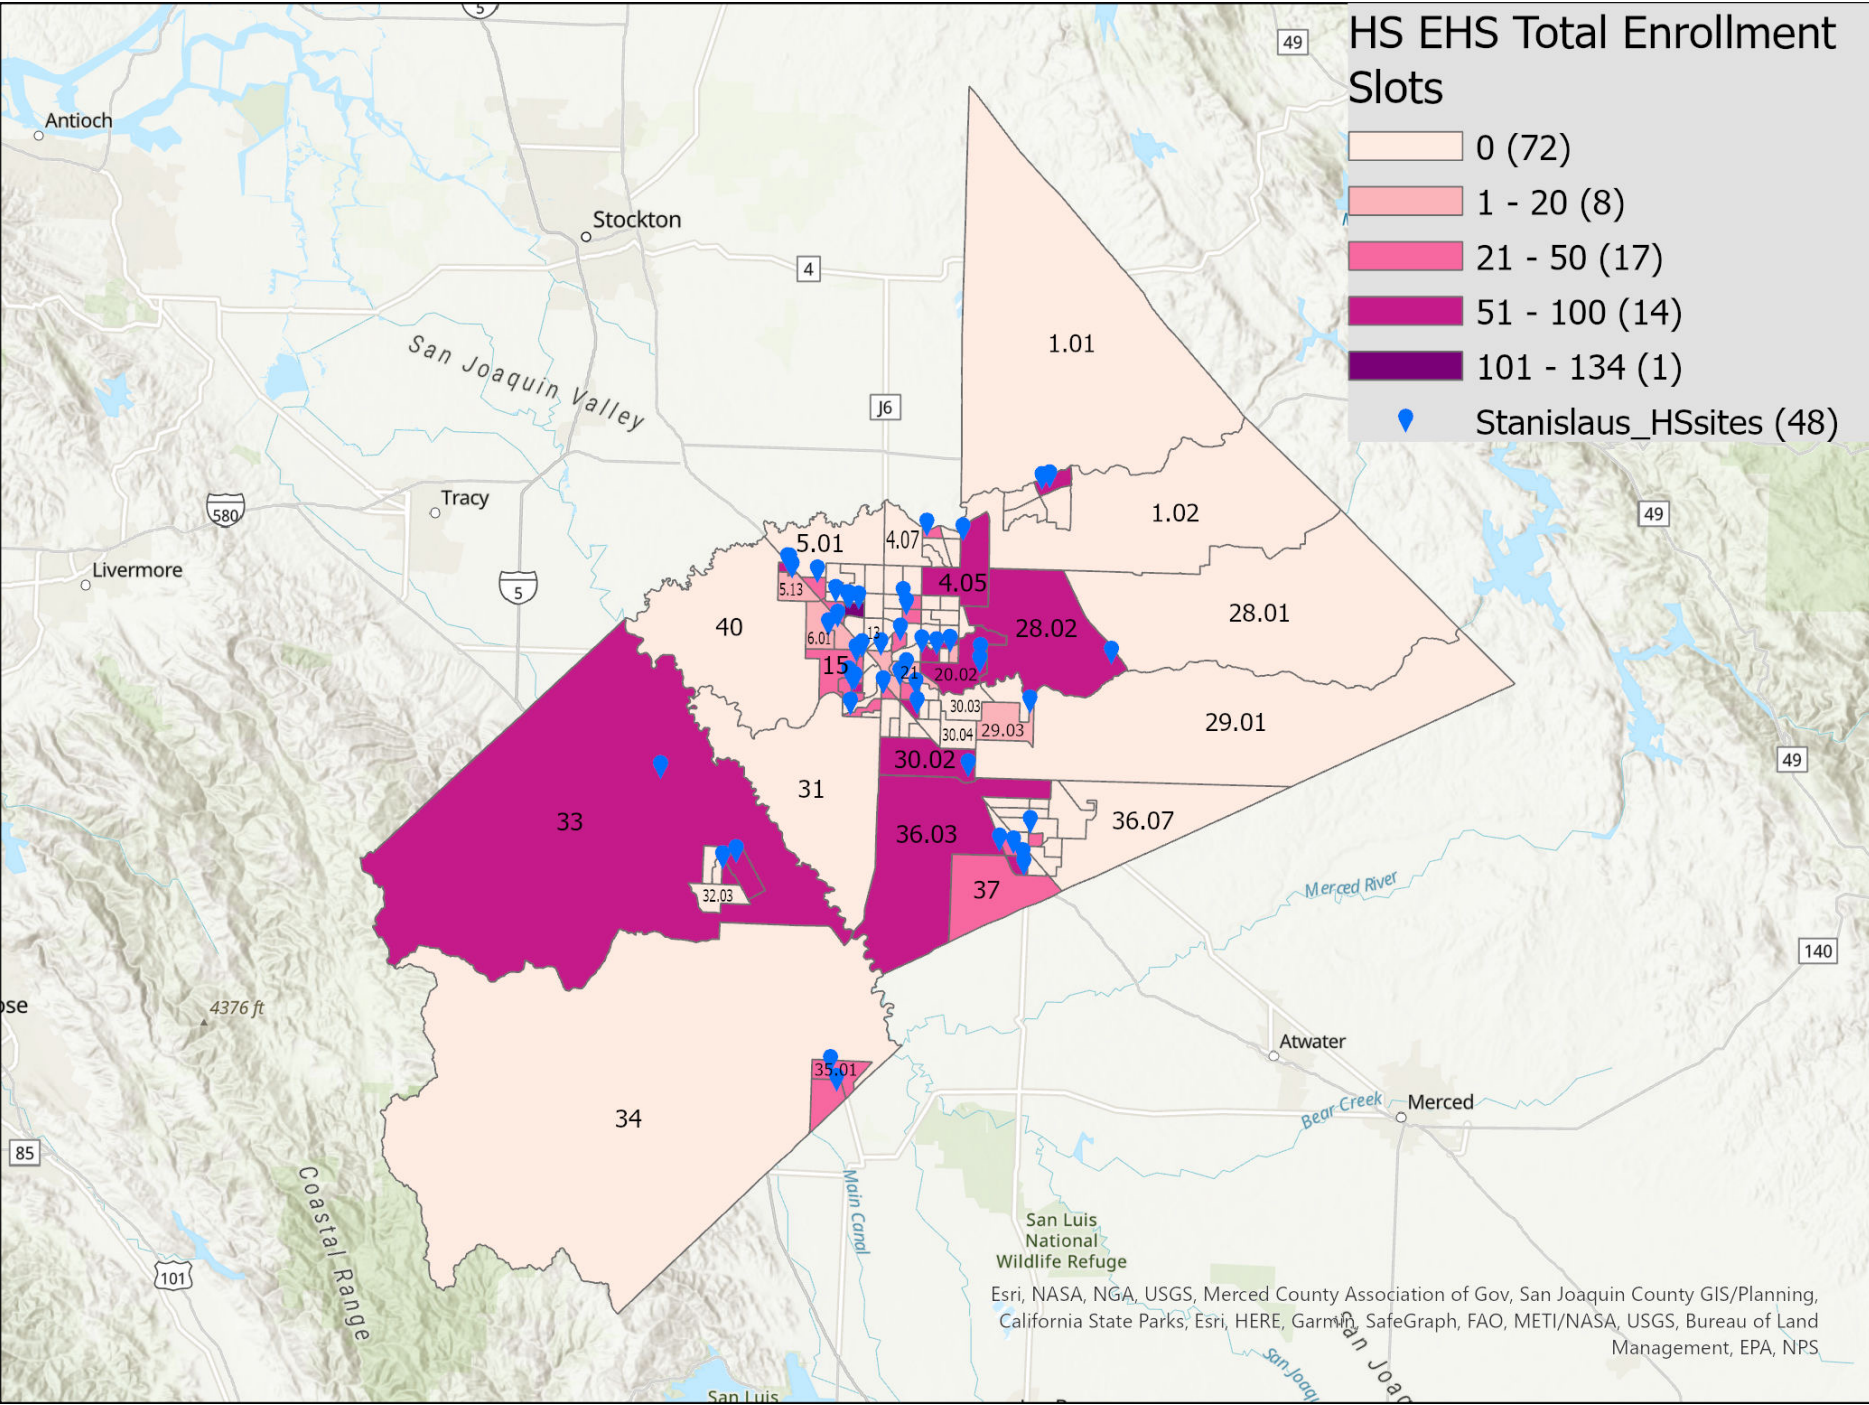

- Have HS within 8 miles
90% of all eligible children
- Have HS within 8 miles but need to share slots
10% of all eligible children
- Have no HS within 8 miles
0% of all eligible children

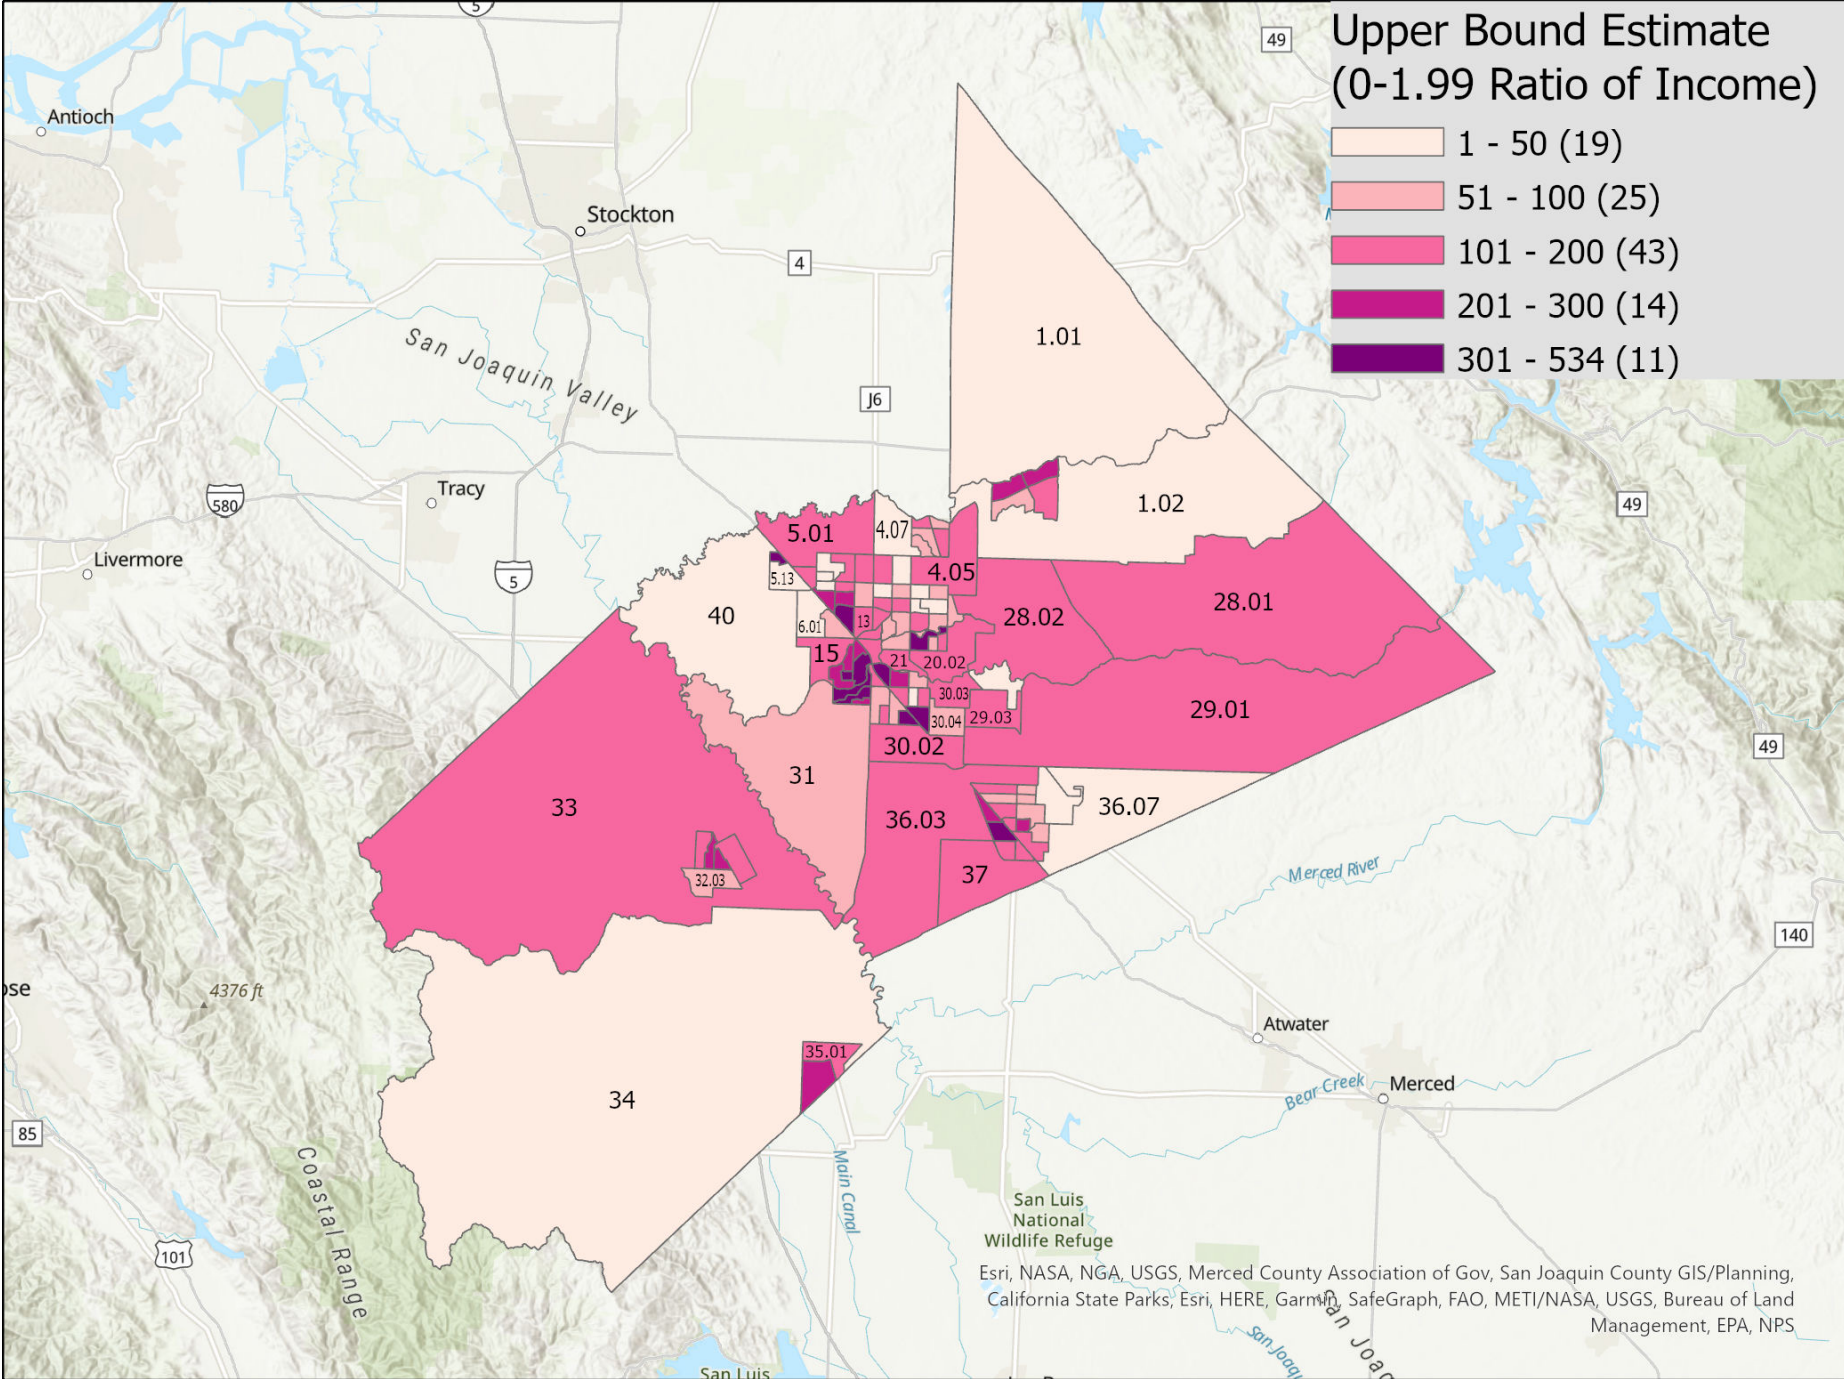

STANISLAUS

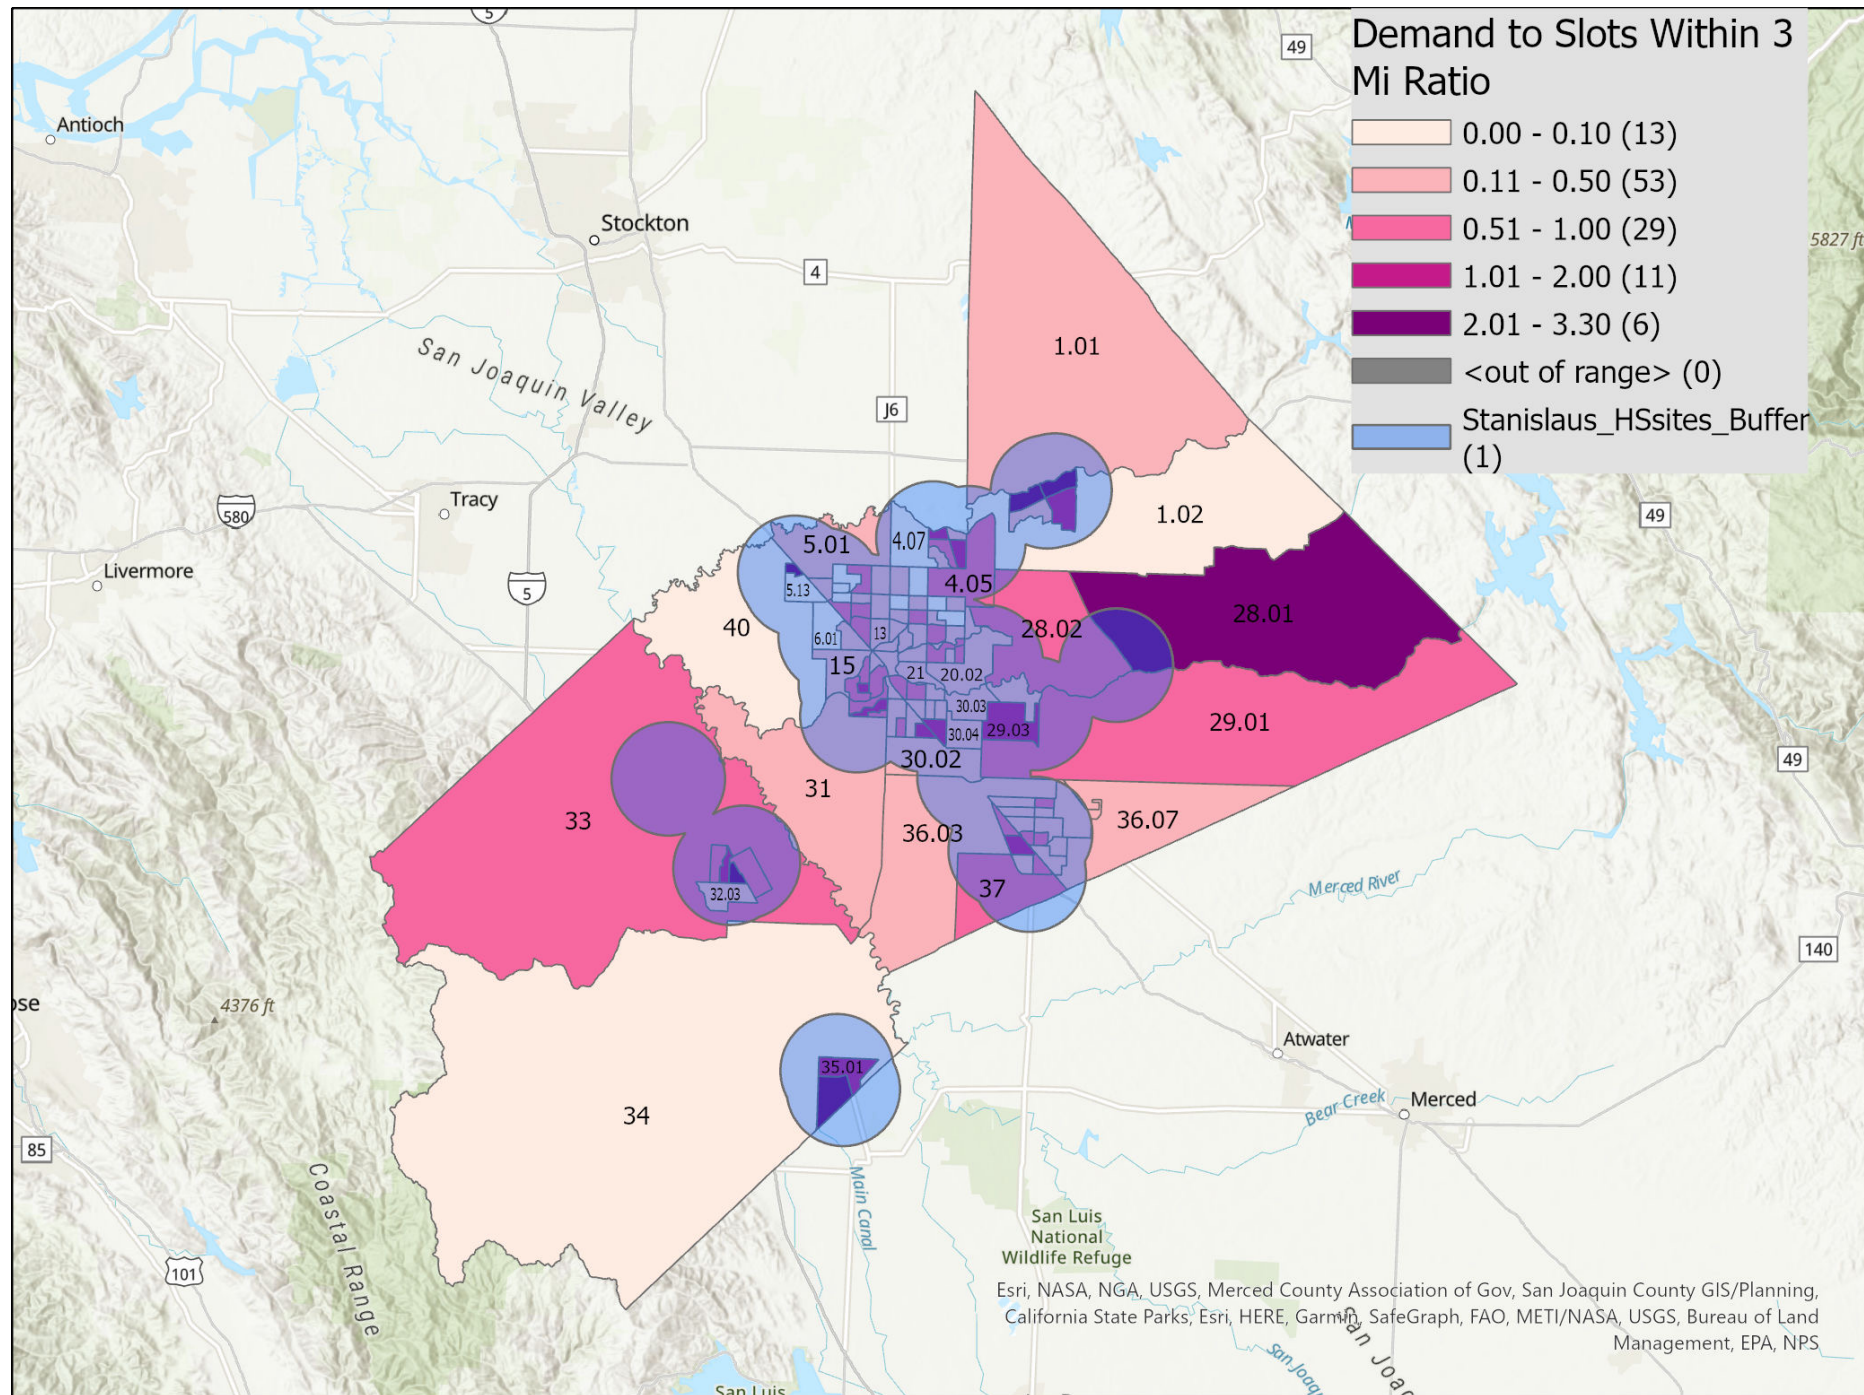

- 112 tracts
- #13 in service supply (48 locations, 1951 slots)
- Head Start presence in 36% of all tracts, or 40 tracts

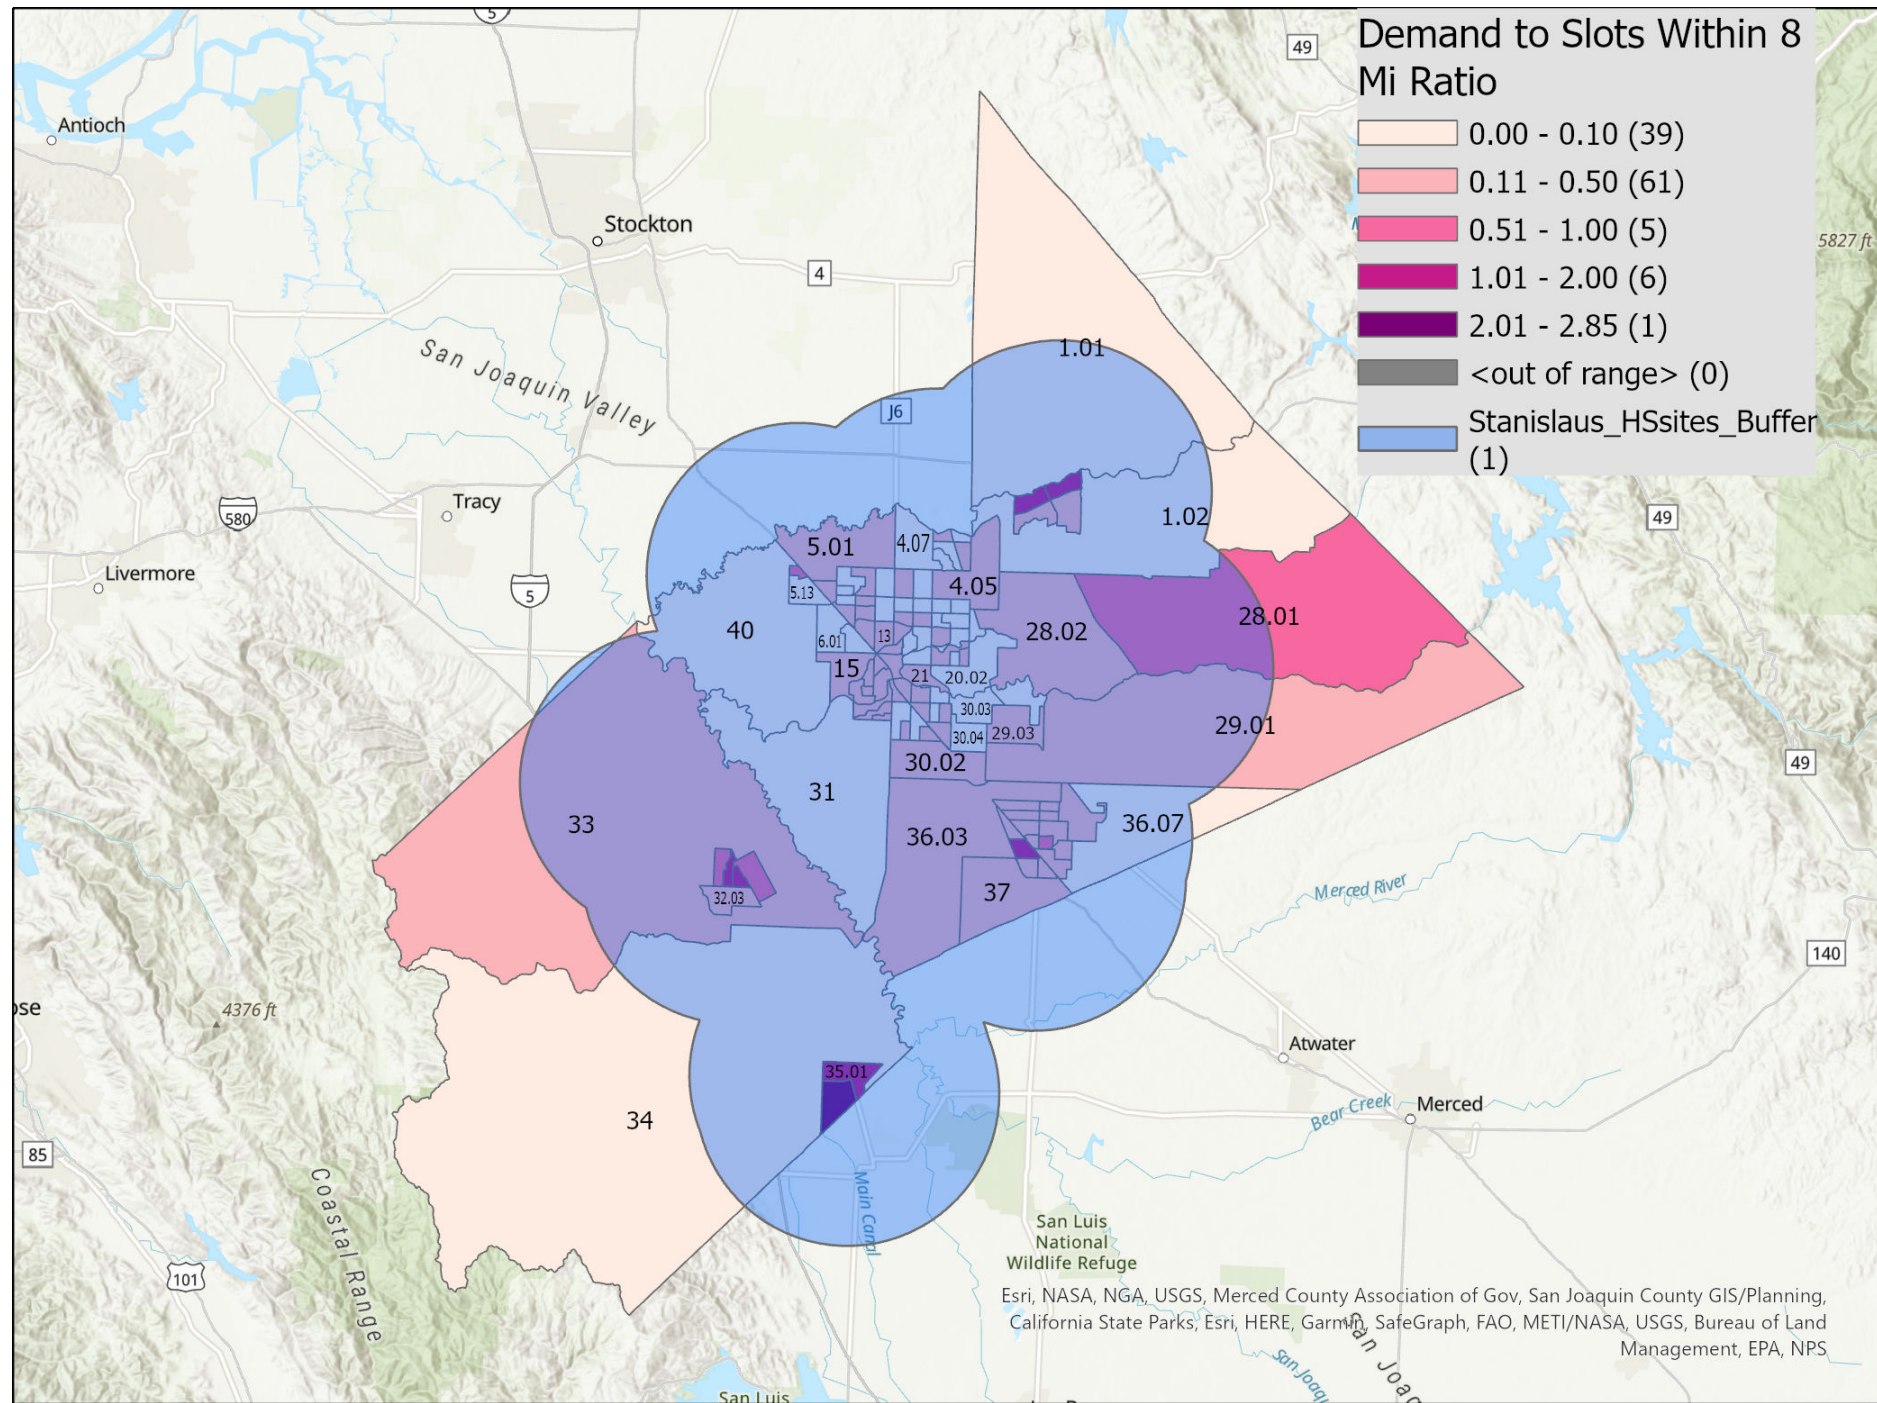

- #13 in number of children under 5 living in or near poverty (15,525 children)
- #21 in demand to supply (7 children per slot)

- Have HS within 3 miles
72% of all eligible children
- Have HS within 3 miles
but need to share slots
28% of all eligible children
- Have no HS within 3
miles
0% of all eligible children

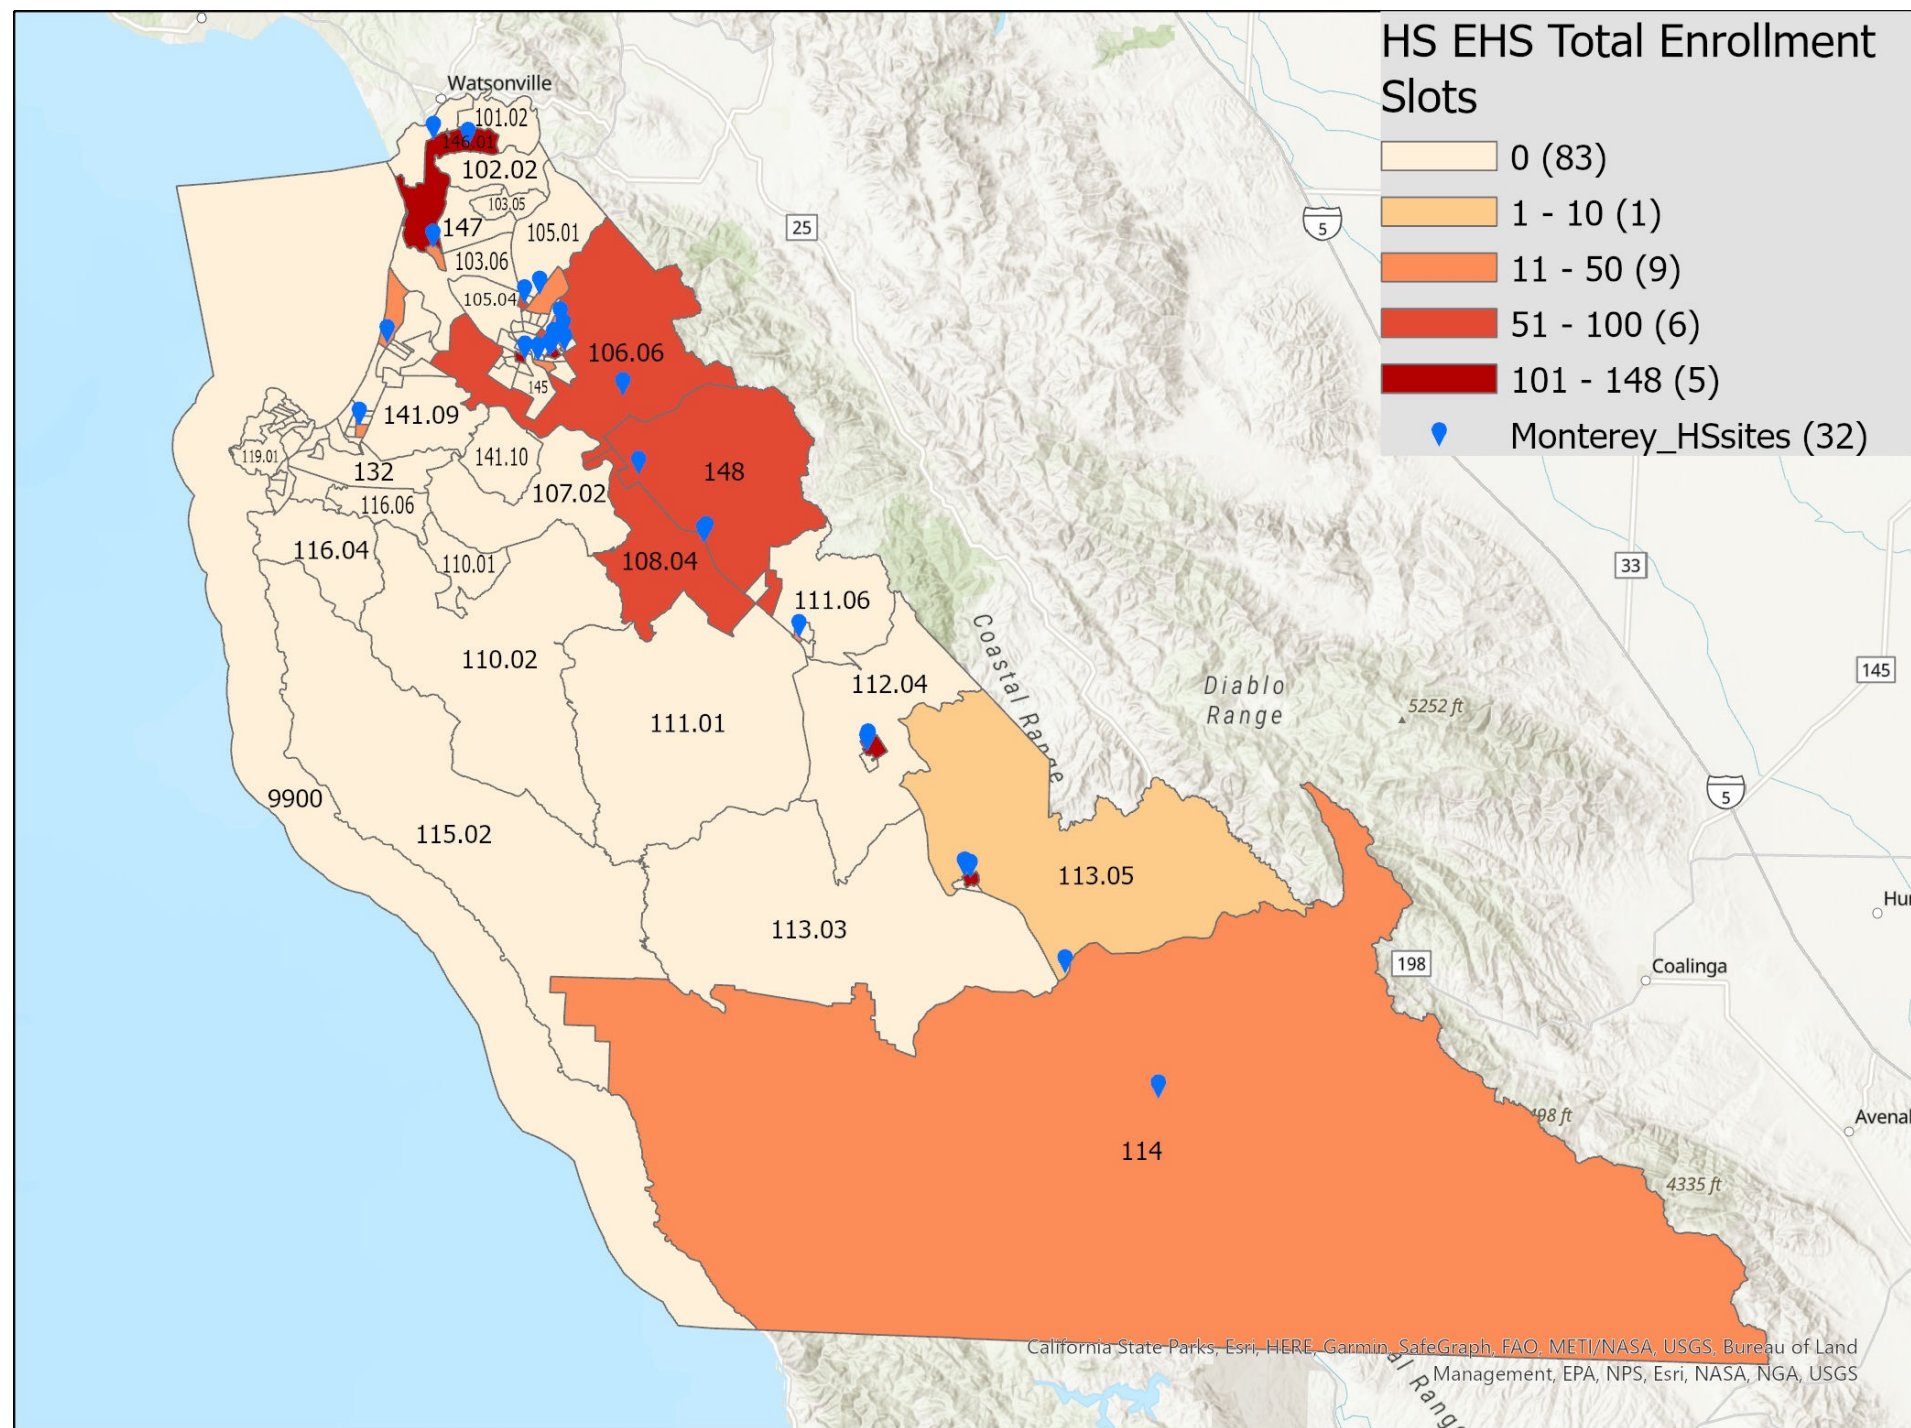

- Have HS within 8 miles
89% of all eligible children
- Have HS within 8 miles
but need to share slots
11% of all eligible children
- Have no HS within 8
miles
0% of all eligible children

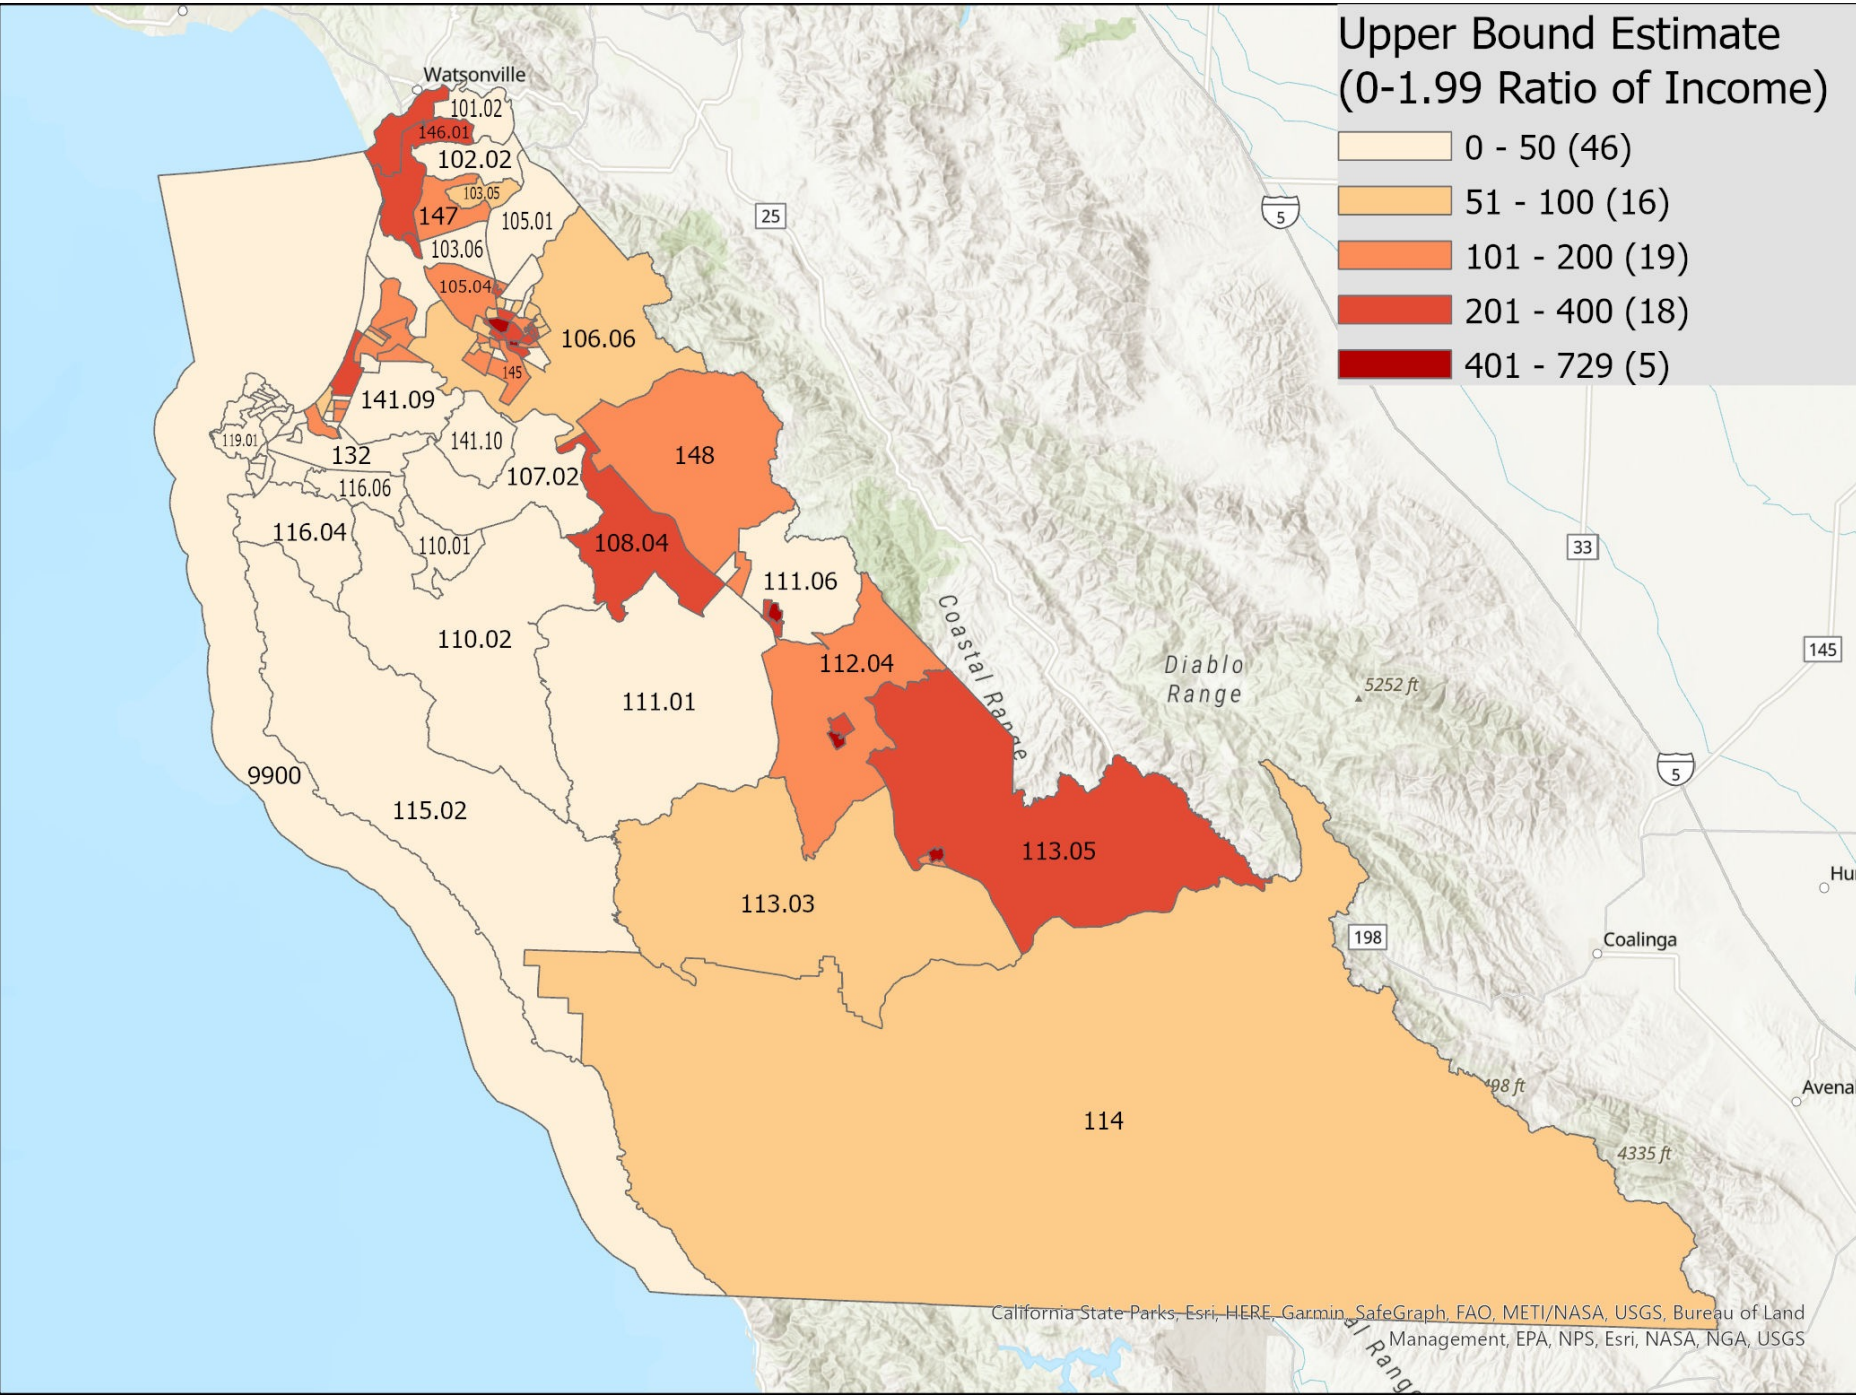

MONTEREY

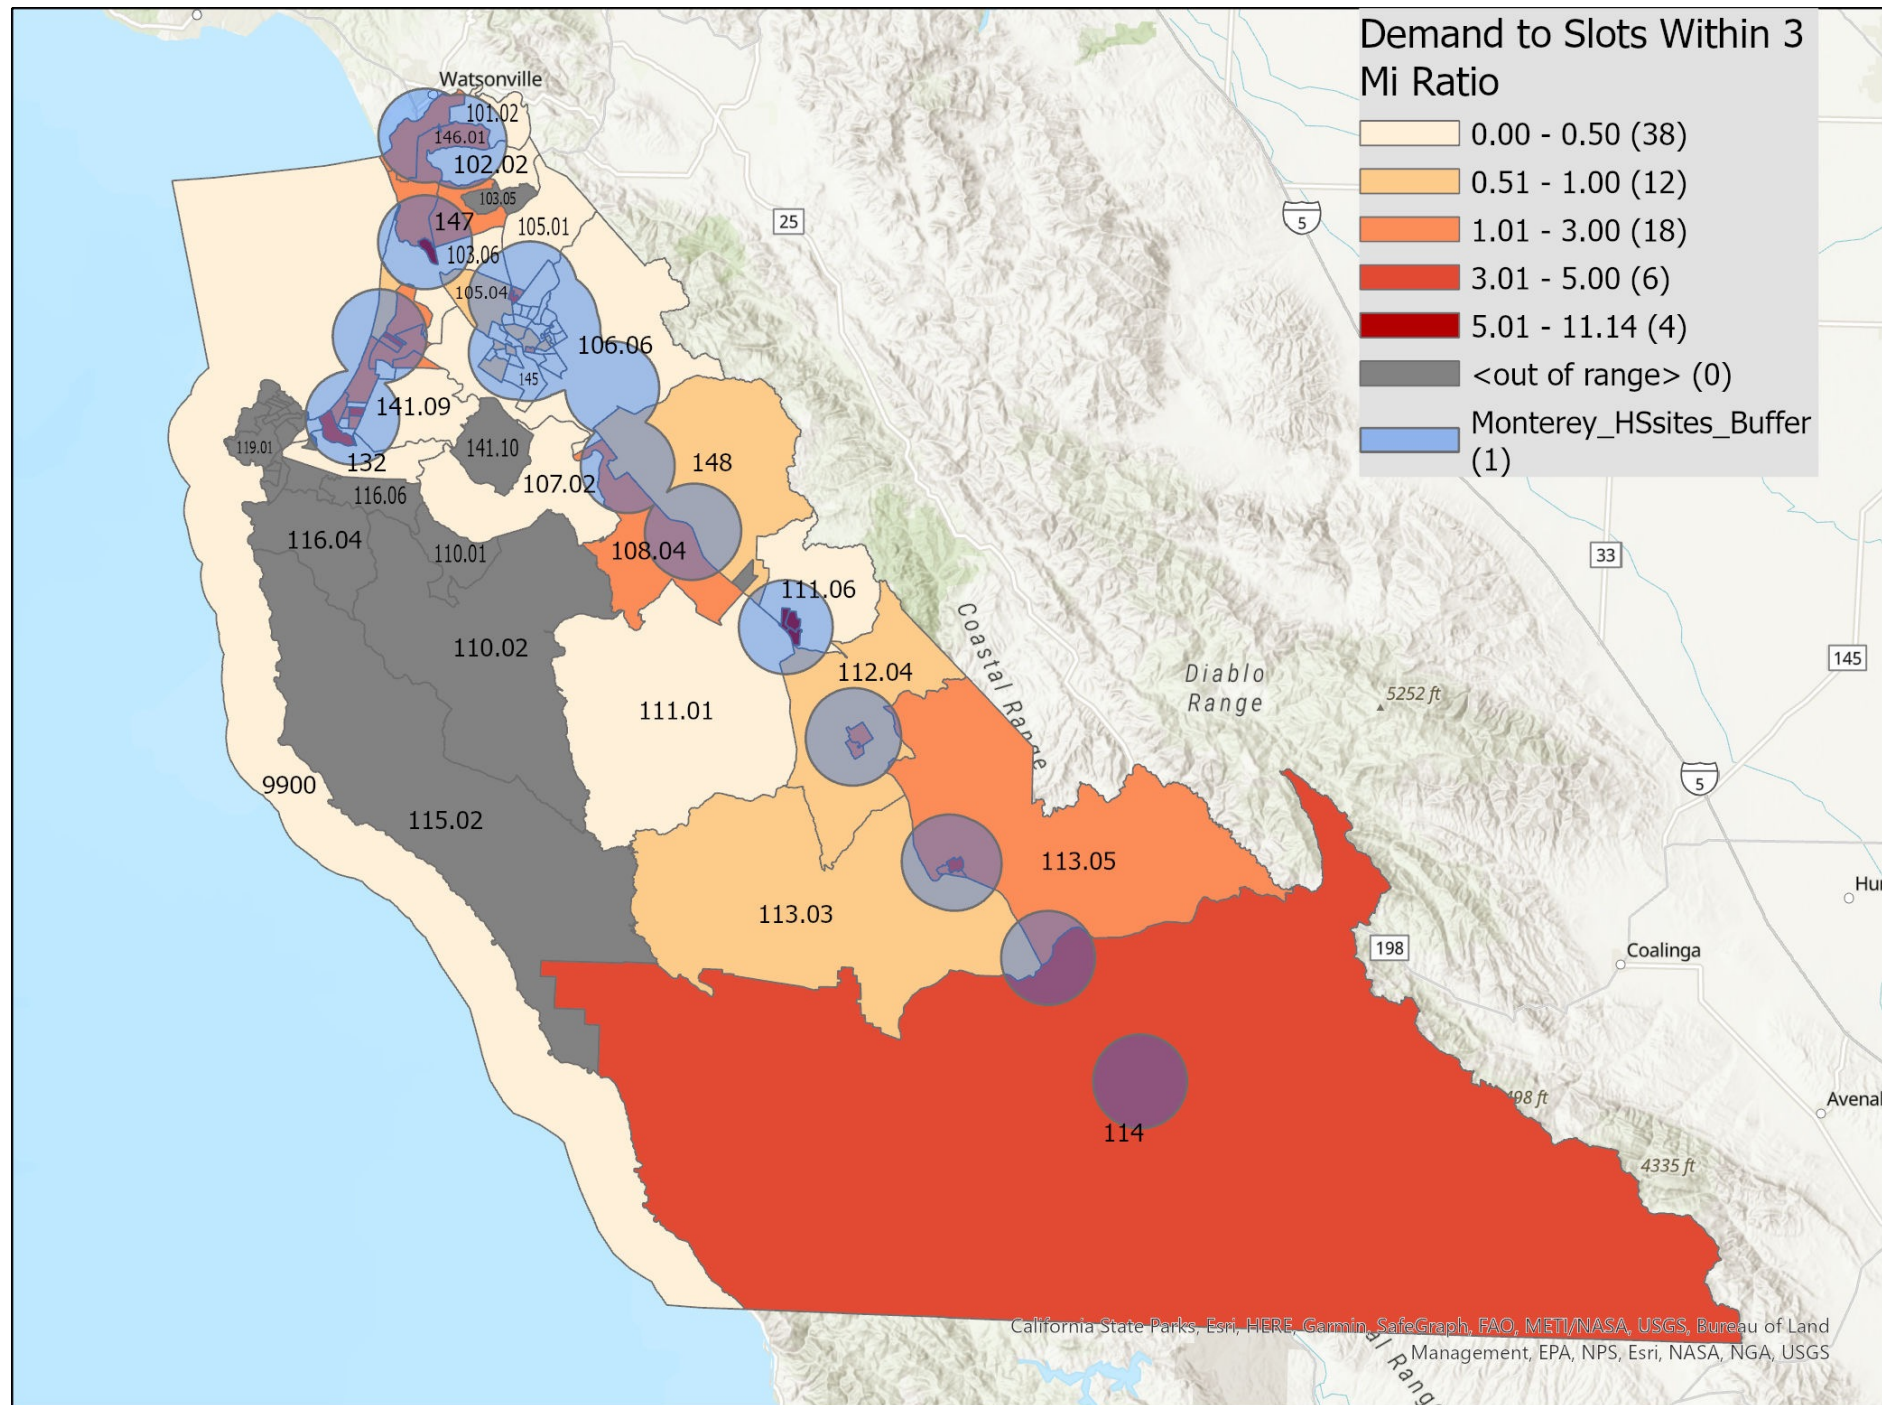

- 104 tracts
- #17 in service supply (32 locations, 1357 slots)
- Head Start presence in 20% of all tracts, or 21 tracts

- #16 in number of children under 5 living in or near poverty (11,153 children)
